ABUSE OF DIRECT LEGISLATIVE SYSTEM.

The voters of Oregon will pass on 24 amendments to the constitution and 13 bills at the November election. More are being incubated and there will probably be forty statewide propositions and perhaps twice as many local municipal measures. Many of these bills if not all will impose new burdens on the people, invent new taxes, create new boards and offices. Here are some of them:

To grant to "every person" a \$1500 exemption on assessed valuation. Household goods are already exempt.

Two tax amendments to allow taxation of incomes, "proportional, graduated or progressive taxation," whatever that may be.

A sur-tax amendment of 50 cents per \$100 on all above \$25,000, and graduated to \$3 per \$100 on all above \$100,000.

A tax on all land not public property. This would tax churches, colleges not owned by the state, and is in line with single tax ideas.

To create the office of Lieutenant Governor to be president of the Senate and get \$10 a day when Legislature sits.

To abolish the senate. By State Grange, State Federation of Labor, and Peoples Power League, authors of nearly all the freak legislation in Oregon.

To abolish the death penalty as a punishment for capital crimes.

To prohibit manufacture and sale of intoxicating liquors except for medicinal purposes, or for scientific, sacramental or mechanical purposes.

To increase salary of members of the legislature to \$5 per day and mileage of 10 cents.

To authorize state bonds for construction of irrigation and water power projects by the state to amount of 2 per cent of state valuation.

To prohibit paid circulation of initiative and referendum petitions.

For non-partisan judiciary on petition of one per cent of the voters.

Proportional representation by Grange, Peoples Power League and Federation of Labor.

To authorize the Governor to remove from office county officials who fail to co-operate with him in enforcement of laws, and appoint others in their place.

To revoke franchises of Portland Gas & Coke Co., by Portland Central Labor Council.

To take over channels of rivers and authorize leasing same to cities, and construction of public docks.

For eight hour day and ventilation of rooms for women workers.

Stringent Sunday law against all places of amusement for gain, by Washington County Christian Endeavor Union.

Universal eight hour day in factory or farm.

Special tax for employment of un-employed laborers.

Change election law requiring only fifteen days residence in precinct.

Registration certificate to vote anywhere in the state.
