

**BUYERS TO SHARE IN PROFITS  
LOWER PRICES ON FORD CARS**

Effective from August 1, 1914, to August 1, 1915, and guaranteed against any reduction during that time.

TOURING CARS	\$565
RUNABOUT	\$515
TOWN CARS	\$765

F. O. B. Heppner, all cars fully equipped. (In the United States of America only.)

Further we will be able to obtain the maximum efficiency in our factory production, and the minimum cost in our purchasing and sales departments if we reach an output of 300,000 cars between the above dates.

And should we reach this production we agree to pay as the buyer's share from \$40 to \$60 per car (on or about August 1, 1915) to every retail buyer who purchases a new Ford car between August 1, 1914, and August 1, 1915.

For further particulars regarding these low prices and profit-sharing plan, call on or write

Main street, Oregon City, will be repaved with Bitulithic.

Metal production in Oregon for 1913 totalled 1,746,402.

Pendleton will have auto streetcar service for the Round-up.

New Bridge, Baker county, cannery is running on beans.

S. H. Friendly and A. Martin will build residences in Eugene.

Two east side docks are to be built at Portland costing 0140,000

Lin county officials are planning a new auto road to Cascadia.

Warrenton has carried a \$150,000 bond issue for gravity water.

Willamina wants another payroll in the shape of a cheese factory.

Salem commercial club will make a strong pull for a starch factory.

A 12-ft. vein of coal struck 3 1/2 miles from Medford says the Sun.

Contracts have been let for the Sandy river bridge to cost \$20,849.

Nearly two thousand piles driven on Astoria municipal dock to date.

Green Mountain mine, Douglas county, may operate on a large scale.

Woodburn Independent has moved into the new Austin brick just finished.

The S. P. Co. will install block signals on 200 miles of its Oregon lines.

Pendleton has a building boom and the Daily Tribune has a new home.

Steam shovels are working night and day between North Bend and Ten Mile.

The distilling of peppermint oil has begun on the Dugold Campbell farm near Coburg.

Hood River Co-operative creamery has secured site and will begin construction at once.

August 1st, Cottage Grove grangers discussed and condemned proposed labor laws.

Phillips and Miller have installed an 100-horsepower engine in their Bandon brickyard.

The Geo. P. Willey Co. conducts extensive operations on Vale oil field beginning this month.

Oregon Eastern railroad renewed construction from Vale towards central Oregon the past week.

Eugene will try to float a broom factory and Albany is raising a subsidy for a furniture factory.

With eight proposed tax measures on the ballot, the taxpayer will have but one course open on election day.

The Hill system will resume operation of the big Kalama ferry and take traffic right through to Astoria.

Pendleton Tribune is pessimistic about the \$1500 tax exemption, and calls it the single tax wolf in sheep's clothing.

State bank examiners reports show decrease of deposits in Oregon national banks from Nov. 1 to June 30 of \$2,064,250.

The State Industrial Accident commission has on file 200 claims against the state before it has been running a month.

Red Ledge mine to have \$100,000 and Homestead mine \$250,000 spent on development work, is a Baker Democrat report.

C. E. S. Wood, just home from New York, says both the Hill and Harriman systems will resume extensions in Oregon under better financial conditions.

An Ashland financier says in spite of the Blue Sky Law citizens of that place have invested in more than \$175,000 of worthless stocks in three concerns within three years.

Eugene council and the Portland, Eugene & Eastern Ry. have settled their differences on Eight Avenue, and construction work begins.

Willamette Pacific grade is to be completed from Eugene to Marshfield by January 1st. Between 1700 and 2000 men are employed.

Last heavy machinery for the new Booth-Kelly sawmill has arrived and the formal opening of the mill has been deferred to Labor Day, Sept. 7.

Salem labor organizations are picketing his public market building and boycotting R. R. Ryan as unfair. Ryan has been a prominent socialist leader and labor advocate.

Our electrical supplies are on display in the Scrivener building. Call and inspect them. Heppner Light & Water Co.

**IRRIGON ITEMS.**

L. B. Kicker was a business visitor in Pendleton last week.

The firm of Roadruck and Garver is doing a rushing business in peaches now.

Lyle Seaman spent last Thursday in Coyote with his friend, Edgar Doering.

Mack Graybeal was down from Unatilla Sunday and spent the day at the Kicker ranch.

The farmers down in this section have just finished putting up the third cutting of alfalfa.

Mrs. Al Walpole went to Hood River last Thursday to visit her father, Mr. J. H. Smith of that place.

N. Seaman and M. F. Wadsworth rode out to the Rand place afoot, Monday night to attend a school meeting.

L. M. Davis lost two valuable horses last Sunday. A veterinarian was called from Pendleton but too late to save the horses.

The sturgeon fishing we heard about a few weeks ago seems to have been a freak, at least we haven't heard any big splashes so far.

Messrs. Theodore, Parks and Patterson, of the government camps located here, spent Sunday in Hermiston, returning Monday morning.

Mrs. J. E. McCoy and children, with Mrs. Harry Minnick left for the mountains last Friday for a two-week's visit. They are at Kamela.

It seems strange that the very brightest moonlight should come during the week when the watermelons are at their very best. Nevertheless many of the patches are well shaded on two or more sides by windbreaks and a flying figure is hard to recognize.

The river has been going down so fast recently that the accustomed swimming hole has been abandoned, but you can't keep the boys out of the water so the springing board has been moved across the slough to the island, where the town takes its daily plunge.
