## To the Right Parties:

I will allow the use of several of my  
Jacks, for a reasonable charge.  
Call on me at the Eastern Oregon  
Jack Farm, east of Lexington, or  
address me at Lexington.

Let your wants be known

I also have

### GOOD JACKS FOR SALE

If you do not find as good Jacks here as there are in  
the Northwest or the United States, I will pay expenses  
of your trip both ways, providing you are a competent  
judge and know a good Jack when you see it.

I keep no high salaried men to sell my Jacks and any-  
one in the market for Jacks who can come to my farm  
will save commission fees, etc.

## NEW BRANDING LAW GOES INTO EFFECT

The following item is taken from  
the Pendleton East Oregonian re-  
garding the new brand law:

The new brand law, making the  
state veterinarian recorder of all  
stock brands, will go into effect on  
May 22, according to a letter receiv-  
ed this morning from Dr. W. H. Lytle,  
state veterinarian, by Dr. C. W. Las-  
sen, county veterinarian. The letter  
contains much information regarding  
the new law and is here published:

"In answer to your letter of March  
17th, will state that the new brand  
law goes into effect May 22, 1915. As  
soon as the new law goes into effect,  
applications for the filing of brands  
may legally be made. They may also  
be made in advance of that time and  
if so made will simply be filed as re-  
ceived upon the date of May 22nd.  
After the law goes into effect, there  
is a period of two months during  
which time stock owners will be priv-  
ileged to file their brands with the  
state veterinarian. During the two  
months period all brands will be filed  
according to the particular class  
to which they belong, either alpha-  
betical, numerical or special charac-  
ters and combination of same.

"It will also be necessary that the  
parties filing their brands indicate  
the length of time the brand has  
been recorded with any of the county  
clerks of any of the counties of the  
state. Also, it will be necessary that  
a notation be made whether or not  
the brand has been re-recorded in  
compliance with the brand re-recor-  
ding law, passed during the legislative  
session of 1913, known as Chapter  
262, General Laws of Oregon for  
1913.

"The attorney general has ruled  
that those brands that have been du-  
ly re-recorded will take precedence  
over all other brands that have not  
been re-recorded, regardless of the  
time they may have been in exist-  
ence.

"It will, of course, be necessary  
that we secure from the several coun-  
ty clerks a certified copy of the rec-  
ord of all brands that have been filed  
with the several counties of the state.  
These will all be compared during  
the two month period in which the  
law is inactive.

"Such brands that do not conflict  
in any way will be immediately re-  
corded upon the tendering of the fee  
which is \$1.00 for recording same.  
Brands which in any way conflict  
will necessarily have to be adjudicat-  
ed. The owner of the brand, how-  
ever, which has been longest record-  
ed, by the terms of the law, has  
rights over all others, provided it has  
been properly re-recorded.

"We will have available blanks for  
the making of applications, ready for  
distribution in the course of a few  
days, and will mail them to the coun-  
ty clerks of the several counties. We  
have already mailed copies of the  
brand recording law to the county  
judges of the several counties of the  
state.

"Very respectfully,

"W. H. LYTLE,  
State Veterinarian."

## WIDE SPREAD INTEREST IN DALLES-CELLO CELEBRATION

Portland, April 7.—That the ser-  
ies of celebrations planned by the  
cities of the Columbia Valley for the  
week of May 3-8, 1915, in honor of  
the opening of The Dalles-Cello  
Canal, will eclipse in attendance,  
human interest and constructive pub-  
licity any public event of the year in  
the Northwest is evident. From  
every section of the United States in-  
quiries are pouring in upon the gen-  
eral committee, from press, commer-  
cial bodies and individuals, for infor-  
mation touching the enterprise to be  
commemorated and its bearing upon  
the territory with which it is related.

The actual participants in the cel-  
ebration at various points will in-  
clude official representatives of the  
United States government, the Pacif-  
ic States, the Army and Navy, com-  
mercial organizations, navigation  
officers (pioneer and active), good  
roads enthusiasts and thousands of  
people from the farms and cities of  
the Columbia Valley.

The program at the various points  
of celebration will be distinctive and,  
in addition to the recognition given  
the canal opening, will set forth the  
local elements relative to the open  
river. A marked feature of the festi-  
val will be the emphasis given to  
the construction of highways leading  
from the interior productive sections  
to strategic points on the river. In  
fact great road building campaigns  
seem to be developing at Lewiston,  
Walla Walla, Pendleton, Maryhill  
and Biggs. This part of the celebra-  
tion will be given especial promi-  
nence in the program to be staged at  
Maryhill and Goldendale May 5th,  
where there will be a great assembly  
of good roads representatives of the  
Northwest, and at Walla Walla, where  
the forenoon of May 4th will be de-  
voted to the discussion of highways.

The formal opening at Big Eddy,  
May 5th, will witness the passing  
through the canal of a great fleet of  
boats and thousands of people from  
the upper and lower reaches of the  
mighty river. Engineer F. C. Schu-  
bert is in charge of the local prepara-  
tions and will provide a platform at  
the edge of the canal 20 x 60 feet  
for the use of speakers and distin-  
guished guests as well as special  
loges for official delegations and the  
two score young women who will act  
as sponsors, each bearing a bottle of  
water from a tributary of the Colum-  
bia.

The religious phase of the occa-  
sion will be set forth by an invoca-  
tion by Rt. Rev. Chas. J. O'Reilly, D.  
D., Bishop of Baker City (in whose  
diocese the canal is located) and the  
benediction by Rev. Walter T. Sum-  
ner, D. D., Bishop of Oregon. James  
S. Ramage, President of the Spokane  
Chamber of Commerce, will give an  
address in behalf of the commercial  
bodies of the Columbia basin. One  
United States Senator and one Mem-  
ber of Congress, (to be designated)  
will present greetings on behalf of  
the United States government. Gov-  
ernor James Withycombe will extend  
a welcome in behalf of Oregon. Gov-  
ernor Ernest Lister for Washington  
and Governor Moses Alexander for  
Idaho. T. C. Elliott of Walla Walla,  
and Joseph N. Teal of Portland, a re-  
viewer of the Cello Canal. Massed  
bands will render popular airs and  
the people will join in the National  
anthem. Engineer Schubert is ar-  
ranging the celebration setting so  
that spectators on the boats and on  
shore will have equal opportunity for  
observation.

Proceeding and following the form-  
al opening, celebration features will  
be held at The Dalles, including a  
banquet at night, May 6th. On May  
6th celebrations will be held at  
Vancouver, Washington, and Port-  
land, while the climax will take  
place at Astoria, Oregon, May 7th  
and 8th in connection with the Sixth  
Annual Convention of the Columbia  
and Snake River Waterways Ass-  
ociation, at which time full inspection  
will be made of all maritime and  
seismic interests at the mouth of the  
Columbia river.

### FOREST NOTES.

Nine hundred coyote pelts were  
submitted to the Lincoln county  
(Wyoming) Woolgrowers' Associa-  
tion, at its recent meeting, for the  
bounty of \$2.50 apiece, offered by the  
Association.

An association has just been form-  
ed by stockmen located in and around  
Crater Lake National Forest in  
Southern Oregon. This organiza-  
tion, known as the South Butte Cattle  
and Horse Association, has been offi-  
cially recognized by the district for-  
ester, and has for its main object the  
economical and beneficial handling  
of the stock and range within the  
National Forest.

Stockmen using the government  
range have constructed, to date, ap-  
proximately 185 miles of drift fence  
in Washington and Oregon, to pre-  
vent the cattle and horses from drift-  
ing onto the sheep range.

According to the latest reports of  
the Department of Agriculture, there  
has been a marked increase, during  
the past year, in the numbers and  
values of every class of live stock on  
farms and ranges in the United States.  
The value of this live stock is  
now estimated at \$5,969,253,000, an  
increase of \$78,024,000 over the val-  
uation of a year ago.
