

What Are YOU Worth From the NECK UP?

It is estimated that the average man is worth \$2 a day from the neck down—what is he worth from the neck up?

That depends entirely upon training. If you are trained so that you plan and direct work you are worth ten times as much as the man who can work only under orders.

The International Correspondence Schools go to the man who is struggling alone on small pay and say to him, "We will train you for promotion right where you are, or we will qualify you to take up a more congenial line of work at a much higher salary."

Every month several hundred students voluntarily report advancement as the direct result of I. C. S. training. You need not leave your present work, or your own home. Mark this coupon at once and mail it.

The Adelphian Quartet

HERE is one of the oldest musical organizations in the country and one of the most widely traveled. Organized in 1888, it has been on the road every season since. Its members survived on merit alone. They have a very wide repertoire, and their voices blend perfectly. They are one of the finest quartets in the country and are sure of an ovation from every Chautauqua where they appear. They will fill an engagement at the assembly here.

NO GREATER ORCHESTRA LEADER THAN WIT- EPSKIE EVER TOURED THE WESTERN STATES

Interpreting the intricate Hungarian rhapsodies, famous in all parts of the world, in such a manner that even the person unacquainted with musical technique in its broadest sense can appreciate the most difficult ideas, Mandel Witpskie, director of the Royal Hungarian Orchestra which is to appear here with the Chautauqua this summer, has won an extensive retinue of admirers.

He has shown that the audience must rely upon the leader to bring forth the essence of the masterpieces. Witpskie does this in such a manner that the most wonderful productions, however complex, can be appreciated by any audience. He has been called the "Key to Musical Happiness" because of his innate ability to interpret the music for his hearers.

No persons need fear that they will not be able to appreciate the selections played by the Royal Hungarian Orchestra so long as Director Witpskie holds the baton. His power of insight is phenomenal. Unknowingly his depiction, through notes, of the thoughts of the composer of the noted rhapsodies awakes the hidden energies of the musical souls and let them shine forth. Those who are skilled in the musical world are ardent followers of the great leader. Those who are hungry for music of real value are always satisfied when the Hungarian players lead them into the land of music.

No greater orchestral leader has ever toured the west. That the Hungarian Orchestra was secured is regarded as exceptional. The organization is undoubtedly the most powerful musical group that any Chautauqua has ever booked. Those who are acquainted with the leader and his artists travel hundreds of miles to hear them. He comes to the very door of citizens here. Hear the best music the world has to offer. It brings back the old time happiness and puts hope into life, making the future bright and full of promise.

Nothing in Them.

"William," said the good wife, looking up from her paper, "here I see an article that says a man out in Kansas is suing his wife for divorce, simply because she went through his pockets after he was asleep. Goodness knows William, probably the poor woman never got a cent from the brute of a husband in any other way!"

"Uh-huh," replied William. "William," came from his better half, "don't you dare sit there and 'uh-huh' me in such a manner! What would you do if you woke up and found me going through your pockets?"

"Who—me?" asked the sleepy husband, who had already turned over his pay envelope to the boss of the house. "Why, I'd get up and help you search, of course, my dear!"—Judge.

Ernest Leisner, who spent the winter in Lone Rock, is again in Heppner. Mr. Leisner is an expert shingle man.

From the "Wet Paint" signs tacked up over town, Vickers, the painter, and his crew of men are very busy. They are endeavoring to get the town "dolled up" for Chautauqua week.

Young Son Drowned.

Elvin Fuller, son of A. K. Fuller was drowned Sunday evening near their new home at Castle Rock, Wn. A number of Sherman county friends of the family joined in sending a floral offering in an anchor design for the funeral on Tuesday the 8th. Moro Observer. Mr. and Mrs. Fuller have many friends in Morrow county who will sympathize with them in this sad bereavement. They were residents of Lexington and vicinity for several years and the family is well known here.

Heppner Lodge No. 59, A. F. & A. M. is represented at the grand lodge in Portland this week by T. J. Mahoney, Jos. M. Hayes and C. C. Patterson. They drove from Heppner to The Dalles in Mr. Mahoney's car.

M. S. Corrigan, president of the First National Bank, was a business visitor in this city on Thursday and Friday of last week from his Butter creek farm.

Dan Hanshaw, the Black Horse farmer, was in town Friday. Since this last rain, he is wearing a smile that won't come off.

COLONEL W. H. MILLER, Editor and Lecturer

This man is well known in the west. He is a community development worker, just what this and other communities need. He is live and entertaining and will speak at the assembly.

DON'T RAISE WEEDS ON YOUR SUMMERFALLOW!

USE A

Jones Weeder

"Made in Morrow County"

(Patented Dec. 16, 1913.)

Summerfallowing is being done earlier this year than common. Weeds will come earlier and there will be more of them. Get after them early before they ruin your Summerfallow. The JONES WEEDER is the best and most speedy weeder ever built for that purpose. Built in sections like a harrow; each section cuts five feet and you can use as many sections as you want. The knives have a slope of 60 degrees and will not choke under normal conditions.

This weeder has been tried out on the same field with other weeders and has done more satisfactory work. The JONES WEEDER has been fully tested. Ask a farmer who uses one. For further particulars, prices, etc., write
