OREGON GAME LAWS IN CONDENSED FORM

State Game Warden Prepares Convenient Transcript of Oregon Game Laws.

The State Game Warden has compiled and issued in abbreviated form the Oregon game laws. In order that our people may be informed more fully in these matters, we publish the same herewith:

A resident hunter's license is \$1, and a non-resident hunter's license is \$10 per year. A resident or non-resident angler's license is \$1.00 per year and a combined hunting and fishing license is \$2.00 per year. Hunters' and anglers' licenses may be secured from any county clerk by applying in person, or by application signed by two freeholders on regular blank which may be obtained from county clerk. Civil War veterans may obtain licenses free from the county clerks only, upon proof of service. No license is required to angle in salt waters for non-game fish, nor is a license necessary for women to hunt and angle. It is unlawful for aliens to hunt and angle without first having obtained a \$25.00 gun license and both hunters' and anglers' licenses. The open hunting season for all counties east of the Cascade mountains is as follows, the dates being inclusive: Buck deer with horns—August 15 to October 31. Silver gray squirrels—Season closed in Hood River and Wasco counties by order of the State Board of Fish and Game Commissioners. Ducks and geese—October 1 to January 15. (Federal law). Owing to the prevalence of rabies in the immediate vicinity of Heppner, the City Council, looking to the welfare of the people of our town, has ordained that all dogs shall be muzzled or kept chained up until such time as the City Health Officer thinks the danger is past. Therefore the Marshal has been instructed to kill all dogs found running at large without muzzles within the corporate limits of the City of Heppner on or after July 25th, 1915. Due notice will be given when this order is annulled. This order will be strictly enforced. People outside the city limits are requested to keep dogs at home as there will be no exception made. Rabies has ceased to be a joke and the welfare of the people demands this action. W. W. SMEAD, Mayor. INDUSTRIAL ITEMS OF GENERAL INTEREST Chief Activities in The Line of Mining and Building.
