Health is Worth Saving, and Some Heppner People Know How to Save It.

Many Heppner people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Heppner citizen's recommendation.

J. H. Cox, carpenter, Heppner, says: "Whenever I caught cold, it settled in my kidneys and caused an attack of lumbago. At times I was sick abed for at least a week. Being advised to try Doan's Kidney Pills, I did. They did me more good than any other medicine that I ever took. I am greatly indebted to Doan's Kidney Pills for their good work." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cox had. Foster-Milburn Co., Props., Buffalo, N. Y.

HIGH SCHOOL PARAGRAPHS

By LOREN MIKESSELL.

Captain Devin called a basketball meeting last Monday for the purpose of electing a manager for the team. Muriel McCarty was selected to fill the office. Arthur Crawford has kindly consented to coach the girls team as Prof. Motley has not the extra time for this work.

There are still several vacant seats at school this week, because of the large number of students with severe colds, but as a rule we feel more like working after our four days' vacation.

There will be only three days of school this week as we get the last two days for Thanksgiving holiday.

The first number of the Lyceum course was given last Tuesday. A fair sized audience listened to the splendid program, which consisted of songs and an opera. The Mikado, by the Oxford Company.

The manual training class is getting some practical experience this week. They are building a walk up to the old school house.

The Athletic Association held a meeting Wednesday morning and decided to give letters to those who play a certain number of games of football, basketball, baseball and tennis. A letter will also be given to any one earning six points at the track meet. It was also decided to let the girls enter the association.

When You Think of Thanksgiving Clothes

What tailor can sell you a suit or an overcoat built as well as Sincerity Clothes

and come anywhere near the prices ours are sold for? There's food for thought for you men who go to a tailor; economy is popular right now.

Come to us in an investigating mood; pit what you're getting from a tailor against what we can give you in Sincerity Clothes. We'll abide by your decision.

OREGON WINS AGAIN

Oregon Building, P. P. I. E., November 22.—It's "Oregon first" again this time in the twelve months' International Egg-laying contest involving 560 hens from the four corners of the earth. The contest ended today, and as a matter of fact it is Oregon first, second and third—three pens of White Leghorns, Barred Plymouth Rocks and a hybrid of the two, entered by Prof. James Dryden, head of the poultry department at the Oregon Agricultural College, capturing all the places worth mentioning. The Oregon chickens were so far ahead the past three or four months that there really was never any doubt about the final result and the final score shows the Canadian pen, the closest competition, about twenty eggs behind Oregon's lowest. To add to Oregon's glory, a Barred Plymouth Rock developed from College stock and entered by F. M. Sherman of Lebanon, and two White Leghorns among the college hens, proved to be the highest individual scorers. Apparently, the only reason Oregon did not win a greater victory lies in the fact that the Oregon college did not enter more hens.

This contest, the largest and longest at the Panama-Pacific International Exposition, was conducted on the Exposition grounds under the auspices of the University of California. The great feature was the contest between pens of ten birds, and pens were entered from practically every state in the Union, from Canada and England. Among the also-rans were two pens entered by that "blasted Britisher" Barron, who has been hitting the high spots at practically all of the American egg-laying contests of recent years. To have gotten the goat of this champion of the champion breeds in no small honor, and to have brought to Oregon the grand prize, the cash, and a score of trophies offered at the greatest Exposition of modern times is about all that might be expected even of college hens.

To those who have been following the poultry work of Prof. Dryden in recent years this "bringing home the bacon" is no surprise. Working at O. A. C. that "Luther Burbank of
