

"Yes, the six months are up and our Holeproofs have outworn the guarantee."

Holeproof Hosiery
FOR MEN, WOMEN AND CHILDREN

Warranted Against Tears, Drop-Stitches, Running Threads, or Any Manner of Hole

Six pairs of hosiery or cotton are warranted to wear six months without holes, three pairs of silk three months. If any pair fails in that time you get new hose free.

Men's Holeproof Socks, 25c per pair and up. Women's and Children's Holeproof Stockings, 35c per pair and up.

Such perfect hose would be far more costly if the output of the Holeproof factory were smaller.

But they're making Holeproofs for millions, and large output cuts the factory cost per pair.

They import Japan's choicest silk. They procure the finest, longest cotton fibre grown in Egypt. They could pay half for lesser yarns. But then these hose would wear like common hose.

Ask us to show you these fine hose that mean such a saving to you in labor and money.

Waiting doesn't pay. If you neglect kidney backache, Grains troubles often follow. Act in time by curing the kidneys. Doan's Kidney Pills are especially for weakened kidneys.

Many people in this locality recommend them.

Here's one case:

E. L. Bussey, prop. cab service, 1521 Madison Ave., La Grande, Ore., says: "I had attacks of Kidney trouble and they were always worse when I caught cold. I had dull pains in my back and my kidneys got badly out of order. I began using Doan's Kidney Pills and from that time to this I have relied on them. Whenever my back has bothered me, it has taken Doan's Kidney Pills only a short time to fix me up all right. I never used a better kidney medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bussey had. Foster-Milburn Co., Props., Buffalo, N. Y.

Monday afternoon the entire student body was organized into a debating society. David Wilson and Earl Gordon were appointed leaders and they will divide the high school into two teams. From time to time teams will be chosen from each side for debates.
