RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound and ¼ oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and remove dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

For months Heppner readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

Mrs. W. M. Andis, 1502 V. Ave., LaGrande, Ore., says: "I have used Doan's Kidney Pills with the best of results and have also given them to our little girl for weakness of the kidneys. She had complained a great deal, but Doan's Kidney Pills soon acted on her whole system, strengthening her kidneys and benefiting her in every way."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Andis had. Foster-Milburn Co., Props. Buffalo, N. Y.
