Mr. Gilman has purchased the building and it is understood that it will be occupied by the Heppner Milling Company as soon as it is remodeled and put in good condition.

GOOD NEWS

Many Heppner Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the many had back sufferers in Heppner are glad to learn where relief may be found. Many a lame, weak and aching back is had no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with this tested remedy. Here is an example worth reading:

Henry Howard, Heppner, says: "For thirty years, I suffered from rheumatic pains in my back and hips. Seeing Doan's Kidney Pills advertised, I was induced to try them. They gave me great relief. I only hope that my statement will be the means of leading other kidney sufferers to try Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Howard had. Foster-Milburn Co., Props., Buffalo, N. Y.

Mrs. W. R. Irwin and daughter went to Portland Monday morning.

Hynd Bros. of Sand Hollow have recently completed a large sheep shed.

W. P. McMillan, Lexington business man was in the city a few hours on Tuesday.

Jack Devore, Rhea creek farmer, took out a load of seed grain to his ranch Tuesday.

Friends of Mrs. Jos. Hayes will be pleased to learn that she is slowly improving from her recent severe illness.

Harlan McCurdy, prominent young business man of Ione, was in the city last Friday evening and attended the Elk's party.

J. C. Gilbert, extensive land owner of the Lexington country, was transacting business in Heppner the first of the week.

Mayor James Kyle of Stanfield, spent Tuesday in this city in the interest of his candidacy for public service commissioner.

Robert H. Young, deputy state game warden, went to Portland Wednesday morning on business. He will return Sunday evening.

W. P. Hill was down from his Willow creek ranch on business Monday. Mr. Hill has just recently made some improvements to his place.

Hugh L. Stanfield has purchased 200 acres of land from Grover C. Cox. The land is situated south of Heppner and joins the Stanfield holdings.

The Sam E. Van Vactor family spent Sunday at the Jack McCollough farm home on upper Willow creek, enjoying the day in fishing and other forms of out-of-door recreation.

John Carmichael has sold his homestead, consisting of 242 acres, to C. A. Minor. The consideration was \$2150. The land is situated between Skinner and Balm Fork creeks.

Spotted fever is getting an early start in Grant county this year, according to the Long Creek Ranger. Four cases of that disease having thus far been reported from the vicinity of Monument.

R. J. Carsner drove a band of hogs to Heppner intending to ship them to Portland, but after learning the condition of the market he decided to feed them about thirty days before shipping.—Spray Courier.

Fred Akers and wife spent Friday in this city from their home in Eight Mile. While in the city, Mr. Akers purchased an angler's license and will fish for the members of the finny tribe in Rock creek this year.

Dr. A. P. Culbertson has been appointed official registrar for Alpine and Pine City precincts. Voters of that section will not be inconvenienced by coming to the county seat to register at this busy season.

Mr. and Mrs. Jess Hale and son, and Mr. Hale's brother, Edward, went to Walla Walla Sunday and will make their home in that city in the future. J. B. Sparks has again taken over the Star theater, since Mr. Hale's departure, having returned from Pilot Rock last week.

TYPHOID is no more necessary than smallpox. Army experience has demonstrated the almost miraculous efficacy, and harmlessness, of Anti-Typhoid Vaccination. Be vaccinated NOW by your physician, you and your family. It is more vital than house insurance. Ask your physician, druggist, or send for "Have you had Typhoid?" telling of Typhoid Vaccine, results from use, and danger from Typhoid Carriers. **THE CUTLER LABORATORY, BERKELEY, CAL.** PRODUCING VACCINES & SERUMS UNDER U. S. GOV. LICENSE.

YOUR OLD BARN DOESN'T SUIT YOU

It has its weak points—not as convenient as you wish it was—perhaps not large enough, etc.

You want a new one—really ought to have it in order to make the farm pay right.

There are some things you would like to know about certain forms of construction; you have IDEAS about it that you want to talk over with some one who KNOWS barns of all kinds.

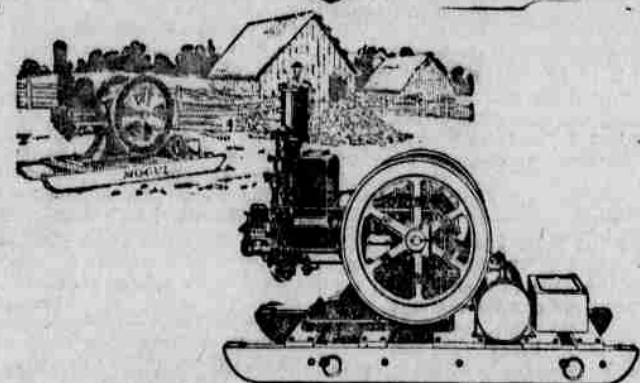

TUM-A-LUM SERVICE

is exactly what you want to get in touch with. ANYTHING you want to know about barn ideas, plans, material, figures, etc—ASK US. If we don't know we will find out.

Come soon—these are good planning days.

Ask Cronk or Wiegel at Ione and Lexington.

TUM-A-LUM LUMBER CO.

Does It Run On Kerosene?

THE most important feature of a farm power engine today is the fuel it uses.

That, more than anything else, determines its usefulness and economy.

At present prices of gasoline and kerosene, you could not afford to accept a gasoline engine as a gift, if you had to use it.

You could better afford to pay a big premium for a **Mogul kerosene engine.**

See the Mogul work on kerosene. Ask your dealer to show you the difference in fuel cost between a Mogul in any size from 1 to 50-H. P., and a gasoline engine of the same size. The figures will surprise you.

International Harvester Company of America (Incorporated)
