Best County Fair In Oregon

Don't Fail to Come

W. W. SMEAD, Secretary

Gilliam & Bisbee

wish to announce that they are to distribute Studebaker Motor Cars in Morrow County and invite you to inspect the new cars at the Fair.

NEW SERIES 17

FOUR FORTY HORSE POWER \$875
SEVEN-PASSENGER
SIX FIFTY HORSEPOWER \$1085
SEVEN-PASSENGER

In announcing the new SERIES 17 Studebaker Cars, Studebaker for the fifth time in its history, conclusively proves its ability to produce high class cars at moderate prices.

Incorporating a series of refinements in the general design, these cars stand supreme as the QUALITY cars of the season—typical exemplars of the highest development of automobile production by one of the world's ablest and most highly organized manufacturing institutions.

Greatly increased volume coupled with Studebaker's unexcelled manufacturing facilities and experience in designing and manufacturing motor cars of the highest quality have enabled us to offer these new Series 17 models at attractively low prices.

But it has long been axiomatic in the industry that Studebaker QUALITY is never to be measured by Studebaker PRICE—and the new SERIES 17 cars are only to be considered on standards of quality applying to cars for which you are willing to pay much higher prices—as the highest achievements of this GREAT manufacturing institution that for 64 years has held the esteem of the world as a QUALITY manufacturer.

We urge every man who expects to buy a car, no matter at what price, to see the new SERIES 17 models before he decides. More than 3,000 of the Studebaker Dealers are prepared to give demonstrations NOW.
