THAT KNIFE-LIKE PAIN

Is Only One of Nature's Warnings of Weak or Disordered Kidneys

Have you a lame back, aching day and night? Do you feel sharp pains after stooping? Are the kidneys sore? Is their action irregular? Use Doan's Kidney Pills—the medicine recommended by so many Heppner people. Read this case:

Henry Schwarz, prop. of butcher shop, Main St., Heppner, says: "I was subject to severe attacks of lumbago. The pains were like a sharp knife sticking me in my back. When I got one of these attacks, the pain was so severe I could hardly move. When I got down, I could hardly straighten up. My kidneys were very irregular in action and congested during these spells. Six boxes of Doan's Kidney Pills fixed me up in fine shape. My back felt as strong as ever and my kidneys have caused me but very little trouble since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Schwarz had. Foster-Milburn Co., Props., Buffalo, N. Y.
