

A New Model typewriter!

BUY IT NOW!

Yes, the crowning typewriter triumph is here!

IT IS JUST OUT—AND COMES YEARS BEFORE EXPERTS EXPECTED IT.

For makers have striven a life-time to attain this ideal machine. And Oliver has won again, as we scored when we gave the world its first visible writing.

There is truly no other typewriter on earth like this new Oliver "9." Think of a touch so light that the tread of a kitten will run the keys!

CAUTION!

The new-day advances that come alone on this machine are all controlled by Oliver. Even our own previous models—famous in their day—never had the Optional Duplex Shift.

It puts the whole control of 84 letters and characters in the little fingers of the right and left hands. And it lets you write them all with 28 keys, the least to operate of any standard typewriter made.

Thus writers of all other machines can immediately run the Oliver Number "9" with more speed and greater ease.

WARNING!

This brilliant new Oliver comes at the old-time price. It costs no more than lesser makes—now out-of-date when compared with this discovery.

For while the Oliver's splendid new features are costly—we have equalized the added expense to us by simplifying construction.

Resolve right now to see this great achievement before you spend a dollar for any typewriter. If you are using some other make you will want to see how much more this one does.

If you are using an Oliver, it naturally follows that you want the finest model.

17 CENTS A DAY! Remember this brand-new Oliver "9" is the greatest value ever given in a typewriter. It has all our previous special inventions—visible writing, automatic spacer, 6 1/2-ounce touch—plus the Optional Duplex Shift, Selective Color Attachment, and all these other new-day features.

Yet we have decided to sell it to everyone everywhere on our famous payment plan—17 cents a day! Now every user can easily afford to have the world's crack visible writer, with the famous PRINTYPE, that writes like print, included FREE if desired.

TODAY—Write for Full Details and be among the first to know about this marvel of writing machines. See why typists, employers, and individuals everywhere are flocking to the Oliver. Just mail a postal at once. No obligation. It's a pleasure for us to tell you about it.

THE OLIVER TYPEWRITER CO., Oliver Typewriter Building, Chicago.

COUNTY SCHOOL NOTES

By S. E. Notson, Co. Supt.

On the 3rd inst. the writer visited the school at Lexington. The new building is now complete except a portion of the fixtures for the domestic science department. The rooms are well lighted, and the light is regulated by means of venetian blinds. In the high school room, part of the light is furnished by a sky-light, which evidently is quite an improvement over the steep stairway. The heat is furnished by a steam heating plant. About the only criticism that can be offered upon the building is the lack of continuous ventilation. The manual training department is well equipped. The laboratories meet the requirements for a standard school. The work for the year is starting off nicely, and the teachers and pupils are enthusiastic.

On Columbus day, I visited the school in District No. 38, where I found Miss Grace Tyler and eight pupils busy at work. This school has one of the finest flag poles in the county, and a fine flag was flying from the top of the pole. This school has two standard pictures, and no doubt will add the third this year, thus completing the required number.

In the afternoon, I visited the school in District No. 17. Miss Ina Johnson is the teacher. The enrollment is 17. An excellent jacket for the stove has been provided. Good window boards are also provided thus making a very good heating and ventilating plant. An arrangement has been made to keep water on the stove, when it becomes necessary to have fire, and thus moisture will be provided for the atmosphere. A good book-case is provided for the library.

I wish again to emphasize the need of oiling the floors of the school-rooms. If properly oiled, the dust nuisance is greatly abated. Then, if some kind of sweeping compound is provided there will be but little dust stirred up. It pays to look after the sanitary conditions of the school.

The October apportionment of the school funds has been made. The per capita apportionment was only \$2.50, but after the second half of the taxes is turned over to the treasurer, another apportionment will be made. If your district has not received its apportionment it is probably due to the fact that the clerk's bond has not been filed as required by law.

Adamson Law Results in New Strike Troubles.

Chicago, Oct. 18 (Special)—Reports from various sections of the country indicate clearly that the Adamson Wage Law, which has been mendaciously termed "Eight Hour Law," is already bringing about additional labor troubles. Railroad men who are not included in the wage increase are being met with a refusal on the part of the railroads to grant an increase in wages on the ground that the added expense involved by the Adamson Law makes an increase in wages to the great majority and more poorly paid classes of railroad employees impossible. St. Paul car men are approaching a decision to strike, and reports from Kansas City are to the effect that 32,000 members of the six railroad crafts have decided to go on strike as a result of the Adamson law.

Railroad officials decided at a previous conference they could not grant the demanded increase of five cents an hour because of increased operating expense forced upon them by Congress in the Adamson Law. As a counter charge, union workmen ask why they are not entitled to an increase when members of the four allied trainmen's organizations were accorded higher wages.

W. E. Leach, Lexington merchant, transacted business in Heppner on Tuesday.

Judge G. W. Phelps, Dr. M. S. Kern, J. N. Burgess and Dr. Guy Boyden of Pendleton attended the Fulton meeting in this city Monday evening. They were accompanied home by Mr. Fulton, who was the chief speaker at a big republican rally held in Pendleton Tuesday evening.

In our last issue the name of Nels Johnson appeared in an item pertaining to the Paul Hisler ranch. The name should have been Nels Justus. Mr. Justus has bought a band of lambs and will run them on the Hisler range this winter.

he will return to make his improvements.

E. W. Mack is spending a few days in town unpacking his hardware and chinaware. He has a fine line of goods and can supply your wants in any thing in his line.

Boardman is a pretty busy place these days, strangers coming in on every train.

C. C. Coykendall and family are in Castle Rock finishing a job of team work.

Miss Alberta Harper left for Echo Wednesday where she will spend a few days visiting, then go on to Athena to visit a sister.

E. P. Dodd and J. C. Bellanger of Hermiston were in town Tuesday looking over the town and project.

Ben Rusland, prominent lawyer of Portland and W. G. Faust were here Wednesday looking over the project with a view of locating.

Pendleton Normal School Proven Necessity

(Copied from Portland Oregonian.)

MONMOUTH, Ore., June 26.—The Oregon Normal school opened this week . . . students enrolled 785, largest on record for state Normal in Oregon . . . how to care for large student body a problem . . . 800 being crowded into auditorium with seating capacity of 550. Galleries filled with extra chairs in aisles. More than 150 students seated on platform. New boarding houses completed, additions to rooming houses built and tents used. One hundred girls sleep on upper floor of school. The official school report gives 150 grade pupils in Monmouth, for teacher practice.

Read what those you have elected to handle the affairs of your state and who are thoroughly informed regarding school conditions in Oregon have to say concerning measure 308 on the ballot at the coming election:

By James Withycombe, Governor of Oregon:

"Oregon is unquestionably in need of more normal school work and Pendleton is the logical place for a school of this class in Eastern Oregon."

By J. A. Churchill, State Superintendent of Public Instruction:

"I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."

By P. L. Campbell, President of the University of Oregon:

"At least one additional Normal School is urgently needed in Oregon."

By W. J. Kerr, President of the Oregon Agricultural College:

"Since the people of Pendleton are initiating a measure for the establishment of a Normal School at that place, it will give me pleasure to support this measure."

By J. H. Ackerman, President Oregon Normal School, at Monmouth:

"A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and Pendleton fills all the government requirements."

By the County School Superintendents of Oregon:

"Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."

By Mrs. Charles M. Castner, President of the Oregon Federation of Women's Clubs:

"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School Located at Weston:

"An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."

B. F. Mulkey, Ex-President Southern Oregon Normal School:

"I shall support the location of an Eastern Oregon Normal School at Pendleton."

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent."

Portland Chamber of Commerce endorses measure 308 and says Pendleton most logical location for Normal school in Eastern Oregon.

308 X YES IS A VOTE FOR YOUR CHILDREN

Eastern Oregon State Normal School Committee.

BOARDMAN ITEMS

Ferd Emberger went to Hermiston Tuesday.

Fred Phelps and wife were here Sunday visiting their daughter, Mrs. C. Voyné. Mr. Phelps returned Sunday evening but Mrs. Phelps spent the night returning on No. 2 Monday morning.

O. H. Warner was busy moving C. Stanyan to Coyote Springs where Mr. Stanyan is seeding the new latereels.

Mrs. H. A. Frick and J. C. Bellanger of Hermiston came in Thursday on the early train. While here Mr. Bellanger closed up the deal for the lumber yard. He will move his family here in a few weeks. C. Voyné will look after the yard until Mr. Bellanger returns.

Mrs. John Marshal of Castle Rock came over in the Marshal car Wednesday on business pertaining to the Post-Office.

Mr. Callbeck of Hermiston who has been putting in the fronts and shelves of the new building returned home Friday.

Sam Oldaker of Hermiston was here Saturday. He spent the morning with O. H. Warner riding over the project.

Miss Dorothy Boardman entertained Miss Gladys Paine at dinner Sunday evening in honor of Gladys' 11th birthday.

W. N. Hatch of Walla Walla who is a homesteader on the project stopped off Tuesday on his way to Bend where he will visit for a month when

"TUM-A-LUMBER" a BUYWORD for GOOD LUMBER

"TUM-A-LUM" First, last, and all the time!

"TUM-A-LUMP" is GOOD FUEL

And here's why—

There's More to the Retail Lumber Business than just "Selling Wood."

Our business policy is to help you to BUY WHAT YOU WANT.

If you are satisfied, you'll come back, and we will be saved just so much expense in trying to SELL.

This SAVING we put into better SERVICE, which helps to better satisfy you next time.

It's very simple—It's right—It's good business.

We lose no time "explaining or apologizing or trying to smooth things"—we don't have to.

WE ARE IN BUSINESS TO SUPPLY YOUR WANTS IN THE BUILDING MATERIAL LINE.

To do that properly requires a fund of expert information that raises this business to the dignity of a Profession.

We are proud of our business, and we'll take great pleasure in helping you to solve any and all building problems.

And this does not obligate you in any way—We'll be glad to do it.

"SEE WEIGEL AND CRONK ABOUT IT"

TUM-A-LUM LUMBER CO.

The M. & M. Oil Burner

is now on display in the building just south of the Livery Barn. This is a burner designed to use a grade of oil and to take the place of wood and coal. Simple of Construction, Absolutely Safe. Anyone Operate It.
