Why Advertising in THE GAZETTE-TIMES Brings Results to the Advertiser—

Being the last of a series of advertising talks by the "Devil"

CONCLUSION

For the advertiser to get the best possible results from his advertising, his medium must possess:

1. The confidence of its readers;
2. A field which is virgin soil for his statements, where they will sprout and bring forth sales;
3. Circulation, both of quantity and quality, which includes the permanent buying class.

The Gazette-Times Fills These Requirements:

1. We have shown why The Gazette-Times has the confidence of its readers; because of the conservative and accurate handling of ALL the news for more than thirty years.
2. It has been pointed out that the field of The Gazette-Times, because of its location and extent, is unexcelled for the purposes of the advertiser.
3. As shown last week, the circulation of The Gazette-Times literally "covers its field like a blanket," and makes this paper the ONE medium through which the advertiser may get his claims before ALL the people of this part of Eastern Oregon.

An Advertisement in The Gazette-Times is Equivalent to a Personal Call by Your Representative in Every Home in Morrow and Northwestern Grant Counties.

W. H. Lytle, state veterinarian, was in the city this week from Salem. He was called to Morrow county on account of the serious loss of sheep which has been occurring the past few weeks. He has an article dealing with the situation in another column of this paper.

Total Decrease in Production Is Approximately 400,000,000 Bushels.

Washington, Oct. 9.—According to the October crop report, issued today by the department of agriculture, the wheat crop is the smallest in years. The winter wheat will run about 200,000,000 bushels under last year, the smallest crop since 1904. Spring wheat is the crop smallest in 24 years, running more than 200,000,000 bushels short of a year ago. Spring production is given as 152,851,000 against an estimate on September 1 of 156,351,000 bushels. All wheat is given as 607,557,000 bushels. Corn condition is given as 77.5 against 71.3 on September 1.

Prince Albert gives smokers such delight, because

- its flavor is so different and so delightfully good;
- it can't bite your tongue;
- it can't parch your throat;
- you can smoke it as long and as hard as you like without any comeback but real tobacco happiness!

On the reverse side of every Prince Albert package you will read:

"PROCESS PATENTED
JULY 30th, 1907"

That means to you a lot of tobacco enjoyment. Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

PRINCE ALBERT

the national joy smoke

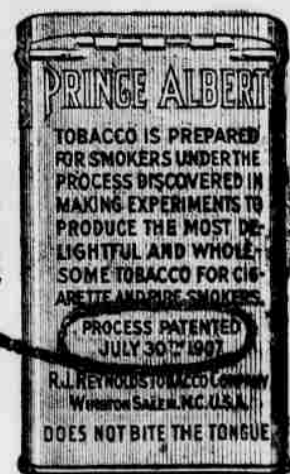

YOU'LL find a cheery howdy-do on top no matter how much of a stranger you are in the neck of the woods you drop into. For Prince Albert is right there—at the first place you pass that sells tobacco! The toppy red bag sells for a nickel and the tidy red tin for a dime; then there's the hand-weighed pound and half-pound tin humidor and the pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in such bang-up trim all-the-time!

in goodness and in pipe satisfaction is all we or its enthusiastic friends ever claimed for it!

It answers every smoke desire you or any other man ever had! It is so cool and fragrant and appealing to your smokeappetite that you will get chummy with it in a mighty short time!

Will you invest 5c or 10c to prove out our say-so on the national joy smoke?

R. J. REYNOLDS TOBACCO CO., Winston-Salem, N. C.

This is the reverse side of the Prince Albert tidy red tin. Read this "Patented Process" message-to-you and realize what it means in making Prince Albert so much to your liking.

PROFIT BY THIS

Don't Waste Another Day.

When you are worried by backache by lameness and urinary disorders, Don't experiment with an untried medicine.

Follow Heppner people's example. Use Doan's Kidney Pills. Here's Heppner testimony. Verify it if you wish:

Mrs. H. Tash, Heppner, says: "A few months ago I was almost past going with backache and bladder trouble. For several weeks I could hardly get about. I felt so miserable. My back felt weak and sore and at times I could hardly straighten up when I got down. I could hardly walk. My kidneys were so weak that I could scarcely control the kidney secretions. Since taking three boxes of Doan's Kidney Pills, I have had

very little trouble." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Tash had. Foster-Milburn Co., Props., Buffalo, N. Y.

G. Chester Macy has returned to his home in Heppner after spending the summer in the mountains, where he had charge of a band of sheep for John Kilkenny.
