**Will Handle Agency for Dort Car.**  
K. L. Beach, of the firm of Beach & Allyn, Lexington, Oregon just returned last week from a visit to Portland. While in that city Mr. Beach signed the agency for the Dort car which will be handled by this firm during the coming season.

After looking the market over carefully, Mr. Beach became convinced that the Dort gave more real value for the money than any car of its class. This car is a small, lightweight, sturdy-built car with the easiest riding qualities of any automobile of its size.

While it has not been long in the West, it has a wonderful reputation for durability and stay-on-the-road qualities from the East and South where it has been running for some three years. Its performance in and about Portland satisfied Mr. Beach that it would stand up equally as well on the Pacific Coast, and he predicts a thriving business with this beautiful little car.
