

# A New Model Typewriter!

The **OLIVER**  
The Standard Visible Writer

## BUY IT NOW!

Yes, the crowning typewriter triumph is here!

IT IS JUST OUT—AND COMES YEARS BEFORE EXPERTS EXPECTED IT.

For makers have striven a life-time to attain this ideal machine. And Oliver has won again, as we scored when we gave the world its first visible writing.

There is truly no other typewriter on earth like this new Oliver "9." Think of a touch so light that the tread of a kitten will run the keys!

### CAUTION!

The new-day advances that come alone on this machine are all controlled by Oliver. Even our own previous models—famous in their day—never had the Optional Duplex Shift.

It puts the whole control of 84 letters and characters in the little fingers of the right and left hands. And it lets you write them all with 28 keys, the least to operate of any standard typewriter made.

Thus writers of all other machines can immediately run the Oliver Number "9" with more speed and greater ease.

**17 CENTS A DAY!** Remember this brand-new Oliver "9" is the greatest value ever given in a typewriter. It has all our previous special inventions—visible writing, automatic spacer, 6 1/2-ounce touch—plus the Optional Duplex Shift, Selective Color Attachment, and all these other new-day features.

Yet we have decided to sell it to everyone everywhere on our famous payment plan—17 cents a day! Now every user can easily afford to have the world's crack visible writer, with the famous PRINTYPE, that writes like print, included FREE if desired.

**TODAY—Write for Full Details** and be among the first to know about this marvel of writing machines. See why typists, employers, and individuals everywhere are flocking to the Oliver. Just mail a postal at once. No obligation. It's a pleasure for us to tell you about it.

THE OLIVER TYPEWRITER CO., Oliver Typewriter Building, Chicago.

### WARNING!

This brilliant new Oliver comes at the old-time price. It costs no more than lesser makes—now out-of-date when compared with this discovery.

For while the Oliver's splendid new features are costly—we have equalized the added expense to us by simplifying construction.

Resolve right now to see this great achievement before you spend a dollar for any typewriter. If you are using some other make you will want to see how much more this one does.

If you are using an Oliver, it naturally follows that you want the finest model.

The sale will begin at ten o'clock in the morning and a free lunch will be served at noon. Mr. Teague has not yet decided where he will locate but is somewhat loathe to leave Morrow county.

## SINGLE TAX CALLS IN-COME FROM LAND

Full Rental Value Land Tax & Homemaker's Loan Fund Amendment.

There seems to be great confusion in the minds of some voters regarding the Full Rental Value Land Tax & Homemaker's Loan Fund Amendment. It is a most complicated measure. After reading it through one is confused and hardly knows what is all about.

There need be no confusion about this measure. It is a single tax measure, pure and simple, although a loan feature has been added. The doctrine of single tax is just this: that all income from land, exclusive of improvements, belongs to the state. "The Full Rental Value Land Tax & Homemaker's Loan Fund Amendment" does this very thing. It calls the income from land "land rent," and under the amendment all this land rent must be paid each year to the state in the shape of taxes. Do you get the idea? It is just single tax under another name. Under single tax all income from land is called "land rent" and all of it is taken by the state.

Mr. Uren, who drew the bill, has repeatedly acknowledged that it is the same old single tax that the voters have repeatedly rejected at the polls. Everyone who has carefully read the bill agrees that it is single tax, but under a different name.

There is no need of any confusion or doubt about this measure. Those who are in favor of single tax and government ownership of all land should vote for this measure. Those who are opposed to single tax and believe in private ownership of all land should vote 307 X NO.
