OFFICIAL PAPER FOR MORROW COUNTY.

Thursday, December 14, 1916

It has been suggested that something be done to improve the condition of our city streets. The sea of mud is a sad contrast to the beautifully rounded, smooth surfaced oiled streets of the good old summer time. One man has suggested that the present time is auspicious for the use of the split log drag. He maintains that one man and a team, with the split log drag, could put all our streets in fair shape in a very short time. It would be well worth trying.

Do your shopping early, and remember that "trade at home" slogan which is always so popular with yourself when you have anything to sell.

Our local stores have a big line of holiday goods. It should be easy for you to select your gifts this year.

Let's extend the hand of hearty welcome to the woolmen.

Price 50c, at all dealers. Don't simply ask for a kidney remedy-get Doan's Kidney Pills-the same that Mrs. DeVore had. Foster-Milburn Co., Props., Buffalo, N. Y.
