

DELINQUENT TAX LIST 1915

The following list of real property situated in Morrow County, State of Oregon, is hereby advertised for delinquent taxes assessed for the year 1915. This advertisement is authorized by an act embodied in Chapter 301 of the General Laws of Oregon, as passed by the 1913 session of the legislature...

The taxes on the following list advertised, of real property, became delinquent October 6, 1916, and are subject to a penalty of 5 per cent and interest at the rate of 12 per cent per annum until the said taxes shall have been paid.

Notice is hereby given that six months after the taxes charged against the following real property first became delinquent the Sheriff is required by law to issue certificate of delinquency against the said property for delinquent taxes. The said certificates of delinquency shall bear interest at the rate of 15 per cent per annum until the certificates are redeemed.

Any time after the expiration of 3 years from the first date of delinquency of any tax included in the certificate of delinquency the holder of such certificate may cause summons to be served on the owner of the property described in the certificate, notifying the owner that he will apply to the Circuit Court of the county in which such property is situated for a decree foreclosing the lien against the property mentioned in such certificate.

FULL TEXT OF ROAD BILL

(Continued from page 1)

chaser in the office of the State Treasurer, and provide an appropriate endorsement upon each of such bonds to the effect that the same will be paid only to the owner appearing on the register thereof, and providing a method for registering the same as the title may be passed, and it may also provide that a part or all of said bonds shall be payable to bearer and not subject to registration. Not less than ten days before the payment of the principle or interest falls due on any of the bonds provided for in this Act, the State Highway Commission shall certify to the State Treasurer the amount necessary to meet the payment thereof. Upon receipt of such certificate by the State Treasurer he shall prepare and verify a claim for the amount mentioned therein, attaching thereto said certificate, and present the same to the Secretary of State, who shall audit such claim in like manner as other claims against the State are audited, and pay the same out of any moneys provided by law for the payment thereof. The State Treasurer is authorized and directed to make any such payments of principal or interest on said bonds at such places, other than at Salem, Oregon, the State Highway Commission may provide. All bonds and interest coupons upon payment shall be deposited by the State Treasurer with the Secretary of State to be attached to the original claim of the State Treasurer for the payment thereof. Section 4. The State Highway Commission shall provide such method as it may deem necessary for the advertisement of each issue of said bonds before the same are sold, and shall also require such deposit with bids as may be required and generally shall conduct the sale and issuance of said bonds under such rules and regulations not inconsistent with this Act as shall be adopted by said Commission. Section 5. The money arising from the sale of each issue of bonds shall be deposited in the State Treasury to the credit of a special fund, which shall be used in carrying out to effect the provisions of this Act. The Secretary of State is hereby authorized and directed to audit all claims incurred in carrying out the provisions of this Act in the same manner as other claims against the State are audited, and pay the same from any moneys provided by law for the payment thereof upon the submission of duly verified vouchers therefor approved by the Commission; provided, that bonds and coupons shall be paid as is provided in Section 3 hereof. Section 6. The highways described in Sections 6 and 7 of this Act are hereby determined to be highways of first importance to the general public of the State of Oregon. It is hereby determined that the following highways should be permanently constructed and finished with a hard surface. 1. The Columbia River Highway from the Multnomah County line to Astoria, Seaside and South in Clatsop County to the Tillamook County line. Inasmuch as the counties of Columbia and Clatsop have already expended large sums of money in constructing the said Columbia Highway through said counties and in doing so have practically exhausted their ability to raise money by an issuance of county bonds, the State Highway Commission is hereby authorized from the funds arising under this Act, in addition to paving said highway, to use from said funds highway, to provide for the preparation of said highway through said counties for the paving thereof. 2. The Pacific Highway from the Multnomah County line through Washington County and Yamhill County by way of Hillsboro, Forest Grove, McMinnville to Dallas, Monmouth and Independence, in Polk County, and through Eugene to the north line of Douglas County. 3. The Pacific Highway from the Multnomah County line through Oswego, Oregon City and Canby in Clackamas County, thence through Marion and Linn Counties, to a junction with the highway at Junction City. 4. Such portions of the Columbia River Highway between the Multnomah County line easterly through the city of Hood River and Hood River County and through The Dalles and Wasco County, through Sherman County, through Gilliam County, by way of the town of Arlington and up the Columbia River to the confluence of the
