E. H. Kellogg, Heppner, Ore.

A material reduction in the price of coal. Centralia nut coal at \$8.00 per ton while it lasts. Kellogg is the Morrow county agent. See the truck on the streets, doing daily demonstration work.

NEW ROAD DESIGNATIONS

The State Highway Commission has made the following designations of highway routes to be embraced in the State System of Permanent Highways.

All the roads embraced in the state bonding act as Post Roads or Forest Roads, as the case may be; roads designated in the Act as "Paved Roads" are designated by the Commission as "Post Roads," pending the vote of the people on the bonding act; if the people fail to ratify the bonding act, the "Post Roads" designation to continue, as there will be no money for paving; if the people adopt the bonding act, the designation of "Paved Roads" will be the law.

In addition to the roads embraced in the bonding act, the commission has designated the following as Post Roads, Forest Roads and one Military Road:

Mt. Hood Loop, Forest Road from Columbia Highway at Hood River to join with the Barlow Road where it crosses the Cascade Mountains south of Mt. Hood.

Barlow Road, Forest Road from Oregon City up the Clackamas River through Government Camp South of Mt. Hood to connect with post road at Maupin.

Emigrant Trail Road, Post Road from Wasco in Sherman County east to Echo in Umatilla County. This designation leaves the Columbia Highway proper as a designated Post Road along the river from Biggs to Arlington.

Forest Road in Morrow County, south of Heppner to Ritter in Morrow County.

Forest Road from Enterprise to Flora in Wallawa County.

Post Road from Baker eastward through Pine Valley and Eagle Valley to Cornucopia in Baker County.

Post Road southwest from Baker to join Post Road at Unity in Baker County.

Post Road south from Burns via Narrows in Harney County, south west via Warner Lake to Plush in Lake County, and westward in Lake County to Post Road connecting Bend and Lakeview.

Post Road from Klamath Falls in Klamath County to Lakeview in Lake County.

Forest Road from Ashland to Klamath Falls.

Forest Road from Grants Pass, southwest through Josephine County up the Illinois Valley to the California Line, connecting with the California Highway leading to Crescent, California.

Forest Road from the Pacific Highway to Jackson County through the Applegate Valley to connect with the Grants Pass-Crescent Highway.

Post and Forest Road from Marshfield through Bandon in Coos County along the Pacific Ocean in Curry County to the California Line, to connect with California Coast Highway through Crescent and Eureka.

Forest Road from Springfield southeast up the middle fork of the Willamette River in Lane County across the Cascade Mountains into Klamath County to connect with the Post Road from Bend to Klamath Falls.

Post Road from Albany west thru Corvallis and Benton and Lincoln counties to Newport.

Post Road connecting Salem with Dallas and Independence.

Military Road from Florence in Lane County north along Pacific Ocean through Newport and Lincoln County and Tillamook County to connect with Post Road from McMinnville to Tillamook.

The foregoing designations, while final, are tentative, made at this time in conference with U. S. Government officials to conform with Government requirements that a complete state highway system be designated by each state as a condition of participating in the benefits of the federal appropriations made by the Shakerford Act. The designations are subject to later revision by the Commission; also as to exact location in the several counties after public hearings have been held by the Commission with the county authorities to make a final determination as to exact routing.

A map showing these designations, comprising the complete state highway system, is being prepared by C. C. Chapman, Editor of the Oregon Voter, and will be published simultaneously in the Gazette-Times and The Voter.

PROCLAMATION

City of Heppner.

WHEREAS, The President of the United States, in view of a grave national emergency, has issued a proclamation calling for eighteen Thousand and three hundred men for the Navy of the United States and has called upon all public officials to co-operate in securing the enlistment of men for service in the Navy, and

WHEREAS, This is a time for action and not for arguments, bickerings and disputes,

THEREFORE, I, S. E. Notson, Mayor of the City of Heppner, do hereby appeal to all able-bodied American Citizens from sixteen to thirty years of age to respond to the call of the President and offer your services in behalf of your country in this hour of her need, and I further appeal to the parents of those under eighteen years of age who offer to enlist to give their consent to the enlistment.

Dated this 28th day of March, 1917.

S. E. NOTSON, Mayor.

Attest:

Seal.

J. P. WILLIAMS, Recorder

CHILDREN WILL HELP BOAST N. E. A. MEETING

Dear Teacher and Pupil:

The Portland General Committee of the N. E. A., has formed a plan whereby the children of the State may invite the teachers from other States to attend the N. E. A. in Portland July 7-14, 1917.

In our opinion this is a wise project, for by making a direct appeal to those whom the meeting will attract, we may increase the attendance, and afford those who attend an opportunity to view our great and growing West.

The State of Utah has been assigned to us and I am sure the Morrow County teachers and pupils will take such an interest in this matter, that Utah will have the largest delegation of all the states at the N. E. A.

We have written to the several County Superintendents of the above named state, for a list of the teachers under their jurisdiction. As soon as these lists arrive we shall mail to each teacher her allotment of names.

The Union Pacific System is preparing a very elaborate illustrated folder especially for the N. E. A. meeting, and they have kindly offered to pay the postage on all letters sent by the school children of the State, provided they are given the privilege of enclosing with each letter, one of these folders.

Morrow County will furnish the envelopes, so all we have to do is to write the letter. A plan for this will be sent to each teacher.

I hope that every teacher in Morrow County may become a member of the N. E. A. before the association meets in Portland.

Very truly yours,

LENA SNELL SHURTE,

County School Superintendent.

Resolutions of Condolence.

Whereas it has pleased our Divine Father in Heaven to take from us and from our order beloved Sister Hannah Stevenson, therefore be it Resolved that San Souci Rebekah Lodge No. 33 while we as a body of fraternal Sisterhood realize our inability to reverse the decree of the Almighty, that will eventually enroll us one and all with the departed.

We are nevertheless in hearty sympathy with the family of our departed sister, who was near and dear to them. Hence while life is extended to us, let us follow the example of our Sister and improve every opportunity of doing our part to perpetuate the grand tenets of our beloved order.

Committee.

LOST—Small black purse on Main Street, last Thursday afternoon. Finder leave at this office. Suitable reward.

ELLA C. FELL

Glasses fitted satisfactorily by Dr. Winnard, or money refunded. His prices are reasonable, and he is where you can always find him. No charge for testing eyes.

John Kilkenny, extensive sheep operator on Hinton creek was in town Monday for a few hours. Mr. Kilkenny reports a scarcity of grass on his ranges and continued feeding of hay is going to cause that article to run short unless warmer weather comes soon. Lambing is under way at the Kilkenny ranch and the percentage of lambs will be under the average on account of adverse conditions.

R. F. Wigglesworth and son Earl were Heppner visitors Monday. The Wigglesworth's are now in the midst of lambing season, at their ranches in the Butter creek country.

BUICK DESIGN

BUICK VALVE-IN-HEAD POWER

The rightness of the Buick Valve-in-Head motor and not the enthusiasm of its salesmen has made the Buick conspicuous for leadership.

This new four has a Buick Valve-in-Head motor (with electric starter) which develops thirty-five horse power on brake test and is so reliable for rugged service that no eulogy is necessary among "men who know Buick."

Its lines are beautiful. Finish and color are exceptional. Deep, tufted black genuine leather upholstery. Covered floor and running board, with aluminum bindings, give a trimness of appearance that is peculiarly Buick.

Body, hood, fenders and running gear are painted a glossy, long-wearing black; wheels are black with white stripes. Tires 31x4 inches.
