HEPPNER ROAD IS BEING SURVEYED

(Pilot Rock Record)

State Engineer M. O. Bennett and his crew of men, who have finished their survey of the Pilot Rock-Pendleton road, arrived in Pilot Rock yesterday morning to begin the survey of the Pilot Rock-Heppner road, which they will carry from Pilot Rock to the Morrow county line. In speaking of the provisions of the proposed bonding act, Mr. Bennett says that he has discovered many people laboring under wrong impressions concerning the work the county will have to do in preparing the roads for hard surfacing. Many seem to have the idea that the county will have to lay crushed rock or gravel over the road in the same manner a street is prepared for paving, while this is in fact erroneous. All that is required of the county is that the road be properly laid out, properly crowned and drained. It is his opinion that a large portion of the roads in this county can be prepared for paving at \$1000 per mile.

A HEPPNER MAN GIVES EVIDENCE

His Testimony Will Interest Every Heppner Reader.

The value of local evidence is indisputable. It is the kind of evidence we accept as true because we know we can prove it for ourselves. There has been plenty of such evidence in the Heppner papers lately, and this straightforward testimony has established a confidence in the minds of Heppner people that will not be easily shaken.

I. R. Esteb, Heppner, says: "I am a strong believer in Doan's Kidney Pills and whenever I can recommend them to others, I don't hesitate to do so, for I know they can't be best. Whenever I feel in need of a kidney medicine, I get a box of Doan's Kidney Pills from Humphreys Drug Co., and in a few days that misery in my back lets up and my kidneys become normal."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Esteb had. Foster-Milburn Co., Props., Buffalo, N. Y.

Clifford Sims returned to his home in Eugene Tuesday. Mrs. Sims will remain here a month or more visiting with relatives. Mr. Sims was formerly a prominent student at the University of Oregon, from which institution he graduated and he is connected with the First National Bank of Eugene.

Grover Goff, Bob Culick, Herbert and John French came over from Gardane the first of the week as witnesses in the Hammer-Handy contest over a homestead. While in the city Mr. Goff had his name added to the Gazette-Times honor roll.

Jack Osten, who has been spending a few weeks at Madras, returned to Heppner the first of the week. He had been working for George Pearce on the Madras Pioneer and says George has a good business in that thriving Central Oregon town.

Peter Wacha of Portland is spending the week in Morrow county looking over our farm lands with a view of buying. Mr. Wacha formerly engaged in farming with success in Minnesota and he looks with much favor upon our country here. He is mostly interested in a combination wheat and stock farm.

WANTED—A good salesman with an automobile to canvass amongst the farmers selling metal grain bins and other specialties for handling bulk grain. Good money to be made by live agent. Coast Culvert & Plume Co., Portland, Oregon.

According to W. O. Bayless of Rhea creek, there were six inches of snow and still snowing at his place Tuesday morning. Further up in the foot hills near the mountains, at the Chas. Osten place the snow measured 11 inches in depth.

Four auto loads of trap shooters from this city went to Pendleton Sunday to compete with shooters there. They reported a most disagreeable trip owing to weather conditions.

J. H. Pearson and two sons were Heppner visitors from the Pearson home on Little Butter creek Tuesday. Mr. Pearson has been a resident of Morrow county for 39 years and he says during all that time, he has never seen a feeding season as long as the past winter and spring. Also he says this is the wettest spring he has ever experienced. However, general conditions point to a favorable year for the farmer and stockman, according to Mr. Pearson.

Jack Sweazey an old-time acquaintance of the Gazette-Times manager, was a visitor in Heppner on Saturday from Walla Walla, and enjoyed a visit with numerous former friends here. Mr. Sweazey has been an occupant of a position in the auditor's office of Walla Walla county for the past thirteen years, retiring from his official position the first of the present year. His last visit to Heppner was some fourteen years ago when he was here attending the firemen's tournament as a member of the Watsburg hose team.
