A regiment of men for immediate service in France will be organized by the Forest Service under the direction of the War Department. This regiment is planned to assist in forest work in France, and will also conduct logging and milling operations. Portable mills probably will be used as they can be quickly taken from place to place as need develops or as supply of logs requires. The regiment will be comprised of foresters, logging engineers, experienced woodsmen, loggers, and men of similar experience and training. DON'T TAKE A CHANCE

Heppner People Should Act in Time.

If you suffer from backache; If you have headaches, dizzy spells; If the kidney secretions are irregular, Don't delay—likely your kidneys are sick.

Heppner people recommend Doan's Kidney Pills.

Here's a Heppner experience: Mrs. H. Hughes, Court St., Heppner, says: "For about a month, I thought my back was broken. It ached and throbbled so badly at times that I could hardly stand. My kidneys acted too freely. The secretions were unnatural and I felt miserable all over. I had taken only a few doses of Doan's Kidney Pills when I noticed a big change. My back felt stronger and my kidneys acted more regularly. One box permanently overcame the trouble and since then I have enjoyed the best of health."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hughes had. Foster-Milburn Co., Props., Buffalo, N. Y.
