PAIGE
The Most Beautiful Car in America

YOU may be one of the thousands of people who have planned to buy a Paige Linwood "Six-39" this spring. If so, let us suggest that you place your order immediately.

There is a tremendous demand for these beautiful five-passenger models. Orders are pouring into the factory from all sections of the country, and it is a foregone conclusion that our "Linwood" production will fall far short of the demand.

Then, also, remember that the cost of manufacturing materials is steadily advancing. Each day it becomes more difficult—and consequently more expensive—to secure the steel, aluminum, copper and brass that are found in a car like the "Linwood."

Right now, you can buy one of these cars for \$1175. If you delay the matter too long, you may have to pay considerably more. Or, as we said in the beginning, it may be impossible to secure early delivery on a Linwood at any price.

SCHOOL NOTES.

Lena Snell Shurtz.

Application blanks for membership to the National Education Association can be obtained from Mr. S. E. Notson or from the County School Superintendent. Every teacher who is interested in the advancement of the profession must necessarily be interested in the welfare of the associations or organizations having as their purpose the building up of the profession. Every teacher should carry a membership in the state teachers association, the national teachers organization, and the organization representing the particular phase of educational work in which he or she may be interested. Each has a distinct purpose; each can accomplish for the profession some things which the others cannot; and each will bring to the individual member benefits different from those derived from the others.

In a few days Enlistment Blanks Oregon Branch, Boys' Working Reserve, will be in this office. Teachers having boys who wish to enroll, kindly let me know at once how many blanks you will need, so that I may send them to you as soon as they reach this office. Others who wish to enlist may apply at this office. The enrollment includes boys from 16 to 21 years of age.

In the Oregon Memorial Annual for 1917 are the following rules for Flag Etiquette:

1. In no case should the flag be permitted to touch the ground, nor should it be marred by advertisements, nor desecrated on the stage.
2. For indoor decorations the flag can only be used as a drape; it cannot be used to cover a bench or table, or where anything can be placed upon the flag.
3. No words, figures, pictures or marks of any kind should be placed upon the flag.
4. When our national flag and state or other flags fly together, or are used in decoration, our national flag should be on the right.
5. Whenever possible the flag should always be allowed to fly in the breeze from a staff or mast, but if it should be necessary to fasten it to the side of a building or platform, it should hang with the blue field at the upper left hand corner.
6. If hung where it can be seen from both sides, the blue field should be toward the east or north.
7. The correct salute to the flag, as required by the regulations of the United States army is: Standing at attention, raise the right hand to the forehead over the right eye palm downward, fingers extended and close together, arm at an angle of forty-five degrees. Move hand outward about a foot, with a quick motion, then drop it to the side.
8. The oath of allegiance to the flag, adopted by the N. S. D. A. R., and by our military schools, the Boy Scouts and other organizations, and which should be taught in all our public schools, is: "I PLEDGE ALLEGIANCE TO MY FLAG, AND TO THE REPUBLIC FOR WHICH IT STANDS: ONE NATION INDIVISIBLE, WITH LIBERTY AND JUSTICE TO ALL."
9. When the colors are passing on parade or in review, the spectator should, if a man or boy, stand at attention and uncover.
10. When the "Star Spangled Banner" is played, all present should rise and stand at attention until the ending.
11. When the flag is displayed at half mast, for mourning, it is lowered to that position from the top of the staff. It is afterward hoisted to the top before it is finally lowered.
12. Our most important holidays (when the flag should be displayed in full staff) are: Lincoln's Birthday, February 12; Washington's Birthday, February 22; Memorial Day, May 30; Flag Day, June 14; Independence Day, July 4; Star Spangled Banner Day, September 14, and State Day.

The graduating exercises of the Hardman High School were held in the church on Thursday, May 10th. This was the first event of its kind in the history of the school, and reflects great credit upon Mr. Bernard Pehr, principal of the school. This is Mr. Pehr's third year at Hardman, and the school has made substantial progress under his efficient management.

The rostrum was beautifully decorated in the class colors. The members of the graduating class were the Misses L. Margaret Gaunt, Nellie M. Wright, Verna V. McCarty, and Ivan H. Leathers.

The program consisted of a recitation and essays by the junior class and essays by the graduating class. Miss Leathers rendered Schubert's serenade and was accompanied by Mr. Pehr on the clarinet. This was received with great applause. Miss Marion Long, of Heppner, sang a beautiful solo, playing her own accompaniment.

Mr. H. J. Hockenberry, of Portland, formally superintendent of the La Grande school, delivered a splendid address, not to the class alone, but to the pupils of the entire school. Mr. Geo. Bleakman, chairman of the school board, presented the diplomas to the class. His talk was both interesting and pleasing.

A few remarks by the County Superintendent closed the program. We were then escorted to the Odd Fellows hall where a sumptuous banquet was spread for the parents of the class, the school board, speakers and visitors.

Memorial Day Services. Union Memorial services will be held in the Federated church Sunday, May 27, at 11:00 a. m. The Grand Army, Relief Corps, Spanish War Veterans, Red Cross and all patriotic orders will be represented.

MORE PEOPLE FOR MORROW WHEAT LAND

As a result of four sales made during the past week by W. D. Newlon, four new families will soon locate on farm lands in Morrow county. The four sales effect land situated north of the base line.

Conditions in the North/Lexington country are exceptionally good now, according to Mr. Newlon. He states that two more wells have recently been drilled on land north of his farm and plenty of water has been struck at 200 feet.

On the artesian well farm of Mr. Newlon, preparations are being made to do extensive irrigating. The water will be taken from the well to the lands to be irrigated, in 14 inch pipes. Mr. Newlon says 600 acres of wheat, oats, barley, corn and beans will be irrigated this year.

Coroner's Jury Reports.
The coroner's jury made its report on the wreck near Morgan and attributed the cause to the bad condition of trestle H-37, which had been in that condition for several days. The bent in the center of the trestle had worked loose at the bottom and the strong current of the stream at that point caused the bent to swing back and forth for several days prior to the accident. The jury brought out the fact that the condition of the trestle had been noted two days before by men living near by, but said condition was not reported to proper officials. The jury consisted of F. N. Frye, Geo. J. Curran, J. W. Hiatt, W. H. Herren, Hanson Hughes and Wm. Haylor.
