ZEROLENE

The Standard Oil for Motor Cars

ASPHALT BASE—THE CHOICE OF EXPERTS

Factory experts, and leading coast distributors for all makes of cars, testify that Zerolene, correctly refined from California asphalt-base crude, gives perfect lubrication with least carbon deposit.

Less wear and more power because Zerolene keeps its lubricating body at cylinder heat. Less carbon because, being made from asphalt-base crude, it burns clean and goes out on exhaust.

Zerolene is the oil for your car—whatever the make—the oil for all types of automobile engines. For correct grade get our lubrication chart covering your car.

Congratulations and well wishes were the features of the hour.

The school program that was rendered at the hall last Saturday evening proved to be a splendid success. The attendance was large and manifested an unusual degree of attention through the whole of the numbers that lasted til 11:30. It was a marvel of a surprise to many how a small school could dispose of 40 numbers representing such a variety of sentiment. There were a list of last day songs, seven dialogues, twenty recitations and a patriotic exercise of three flag drill songs interspersed with recitations. The outside embellishments were as follows: Mrs. Ellis Minor presented two of her matchless readings entitled: "The First Settlers' Story" and "Little Hands" with such touching pathos. Miss Long of the H. H. S. was here at her best and the songs of: "The Long, Long Trail" and "When I Had Nothing to do" were presented. Herbert Hynd gave a well executed violin selection, accompanied by Miss Annie Lowe who presided through all musical numbers as well as characters in two dialogues. Mrs. Shurte was also present and closed with an appropriate talk that showed appreciation of the effort it must have required to prepare each pupil for the rendition of his or her part in the program. The hall was especially decorated and staged for the evening.
