STUDEBAKER **MAXWELL**

"proven entirely satisfactory"

Zerolene, "a most satisfactory motor oil"—that is the testimony of the leading automobile distributors of the Coast. They know from the records of their service departments—and we know from exhaustive tests—that Zerolene, correctly refined from selected California asphalt-base crude, gives perfect lubrication with least carbon deposit. Zerolene is the oil for your car—whatever the make—the oil for all types of automobile engines. For correct grade, get our Lubrication Chart covering your car.
