GAZETTE-TIMES MAN WINNER IN CONTEST

Robert J. Hopkins, until recently linotype operator in the Gazette-Times office, has been announced the winner of the first special prize in the missing title of the Gerlach-Barklow contest. He has received the following letter from Phill Cohn of this city:

Mr. R. J. Hopkins,
Dear Sir:
You have been awarded first special prize, "one barrel of White River Flour" in the missing title contest, and I am pleased to inform you the prize is subject to your order.

Yours truly,
PHILL COHN.

Mr. Hopkins, who is now stationed at the Mare Island Training station, won the prize with the title "Friends of the Meadow." The contest was held the first of the year in which everyone could participate. The picture for which the title was to be supplied, is a beautiful painting of a horse, a young woman and a dog. Mr. Cohn is of the opinion that some of our local people stand a fair chance to win the grand special prize of \$50, which the Gerlach-Barklow company offer.

Is Regaining Health.

We are informed by Mrs. W. E. Walbridge that her mother, Mrs. Eliza Ayers, who is at present at the home of Mr. and Mrs. C. S. Van Duyn in Spokane, and who was reported as being very seriously ill in a recent issue of this paper, is now improving in health, and her recovery is expected. Mrs. Van Duyn writes that Mrs. Ayers is getting better every day and it should not be long until she is able to return to her Heppner home. This is indeed good news to the many friends of Mrs. Ayers in this city and we are glad to be able to make this announcement, and also to correct any wrong impression that our former item might have given. We will state that our information was considered reliable and we published the news as it was given us by one whom we supposed was correctly informed.

UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Heppner. No Heppner resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony. J. H. Cox, carpenter, Baltimore St., Heppner, says: "It seems that if I caught cold, I suffered from pain in my back. At times I simply couldn't move and had to stay in bed for a week or ten days. I used a great many medicines, but I can say that Doan's Kidney Pills did me more good than anything else. I haven't had an attack for sometime now."

OVER SIX YEARS LATER Mr. Cox said: "It has been a long time since I have had any occasion to take a kidney medicine. I still consider Doan's Kidney Pills a good, reliable medicine for backache and kidney disorders."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cox has twice publicly recommended. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

War Does Not Stop Griffith's Production in Europe.

In spite of the world's greatest and most far reaching war, a great American speculator and, incidentally, argument for peace, has invaded the cohorts of Europe and promises to stay.

The Birth of A Nation opened a two year's run at the famous Covent Garden in London, on July 5th, 1915, and August 1st commenced at the Grand Opera House in Paris, the world's most magnificent opera house, also at the La Scala in Milan, Italy, historic among the noted opera houses of the earth.

It is also announced that other celebrated European capitals are soon to be invaded by the big production—Vienna and Berlin among them.

Just what sentiment those countries will show in our reconstruction period and its terrors, (which may be very like their own soon) the workings of the Ku Klux Klan, etc., will be interesting to note. They are pretty well read up on the Civil War over there, and on Lincoln, Grant and Lee almost as well as we are, but whether the sentiments of the immense story will find the same response there is another question.

Of course The Birth of A Nation is purely American—but its lessons are as broad as humanity itself. The wonderful realism of war, however, and the amazement of it all, will take the place of local color with them and very likely, it will create as much European newspaper talk as it has on this side of the water.

This big attraction occupies the boards at the Opera House on June 26 and 27, with special matinee on Wednesday at 2:30 p. m.
