Form-a-Truck**  
**\$350**  
c. o. b. Chicago

Horse-drawn delivery and hauling saddles you with an excess cost for equipment that can easily amount to 75% over your entire investment.

**A Money Saver**  
Smith Form-a-Truck eliminates all unnecessary investment in delivery and hauling equipment. It easily hauls twice the tonnage hauled by horses over three times the area and in the same time. This is real hauling and delivery efficiency—time saving, money earning in every line of business.

**Loaders' & Drivers' Wages**  
Where you now use from three to four horse-drawn teams, one Smith Form-a-Truck will easily do the work. Loaders' and drivers' wages are saved. The men on the loading platform work steadily and earn money for you instead of wasting it waiting for slow moving teams to get back.

**Horses Must Rest**  
Your excessively large, horse-drawn equipment costs you money for upkeep on working and non-working days. Stabling, feed, veterinary bills go on all the time—and for steady service all day you must have extra equipment to give the horses a rest.

**Expense Stops**  
Smith Form-a-Truck costs nothing to maintain when it is not working. Stop the motor and the expense stops until you start it up again. There is no non-production expense. And the actual cost

of maintenance when Smith Form-a-Truck is running is not only far less than for horses, but less than for any other form of hauling or delivery.

**A Big Guarantee**  
And you can put Smith Form-a-Truck at work in a few hours. Simply attach it to any Ford, Maxwell, Buick, Chevrolet, Dodge Bros., or Overland power plant. The truck construction is permanent—fully guaranteed—the mechanical equal of the highest priced truck you can buy.

**Rear Axle Carries Load**  
You know the service value, the economy standard of the famous power plants with which Smith Form-a-Truck can be used. And the power plant only pulls the load. The Smith Form-a-Truck carries it—90% of the entire load rests on the sturdy Smith Form-a-Truck rear axle.

**MOTION PICTURE NEWS**

The attraction at the Star Theater on Friday and Saturday will be the Bluebird photoplay, "A stranger from Somewhere." In this picture-play Franklin Farnum will enact a dual role, impersonating two characters of similar appearance but quite dissimilar characteristics. Agnes Vernon will be his leading lady, and a company of the usual excellent calibre will be in their support. "A Stranger from Somewhere" is rated as the most unique and original photo-play of the period, combining every element of suspense and surprise that makes "the movies" so popular.

**"The Ne'er-Do-Well."**  
"The Ne'er-Do-Well," by Rex Beach, the Selig spectacular drama filmed by the Selig Polyscope Company, features Wheeler Oakman and Kathlyn Williams and an all-star cast. The hero is Kirk Anthony, a college graduate, a veteran football player, and, since graduation the coach of his university team. On the evening following a football victory, the last of the season, Kirk and others start out to celebrate. Late that night he finds himself on shipboard, and when he awakens he is without money and without baggage. During the voyage Kirk becomes acquainted with a woman—a Mrs. Stephen Cortlandt—whom he learns to admire very much. She is really a diplomatic agent of great influence. One day while Kirk is out hunting he meets in a forest bower, a Spanish girl who is known only as "Chiquita." He falls desperately in love with her, and tries vainly to discover her identity. The story of his making good, of his winning of Chiquita despite the counter plottings of Mrs. Cortlandt, of the final decisive intervention in Panamanian affairs of old Darwin K. Anthony, is strongly engrossing and varied by many richly humorous episodes. Chiquita is by far the most charming feminine character Rex Beach has drawn, and Kathlyn Williams as Edith Cortlandt is an exceedingly convincing and fascinating type. "The Ne'er-Do-Well" will be shown on Sunday at the Star theatre.

**C. W. B. M. HAD INTERESTING MEETING THURSDAY**

The ladies of the Christian Woman's Board of Missions held an interesting and entertaining meeting at the social rooms of the church last Thursday.

It was an experience meeting. Each lady told her experience in earning a special fund to swell the missionary offering. One lady said she had been to the shearing plant and had seen how easy it was done, so she told her husband he need not bring a man to shear her half dozen sheep; she would do it herself, and save the money. She started in with the first sheep with the assistance of a friend, the hired girl and a little boy. She had it sheared after three hours of hard labor, so she thought she earned her money.

Some of the ladies took care of other people's children while the parents took in the Portland Rose Show. They thought they earned their money, too. Some did washing, some ironed, some sewed, some stewed. One lady said she shaved her husband's neck several times. As that didn't make enough, she just charged him up for the other times in the past, when she had shaved him.

"And charged him a little more than is commonly allotted for ordinary barber cuts, because she cut it spotted."

Laughable and varied were the experiences, and then followed a splendid program of recitations and music, with light refreshments.

**A WOMAN'S BACK.**

The Advice of This Heppner Woman is of Certain Value.

Many a woman's back has many aches and pains.

Ofttimes 'tis the kidneys' fault. That's why Doan's Kidney Pills are so effective.

Many Heppner women know this. Read what one has to say about it. Mrs. H. Hughes, Court St., Heppner, says: "For about a month, my back ached and throbbed so badly at times that I could hardly stand the pain. The way my kidneys were acting was giving me a lot of distress. I had taken only a few doses of Doan's Kidney Pills when I noticed a big change. My back felt stronger and my kidneys acted more regularly. One box of Doan's permanently cured my trouble and since then I have enjoyed the best of health."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mrs. Hughes. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
