## PERSONAL MENTION

I. E. Holt and wife and daughter, who have been living at Newberg since leaving Heppner two years ago, have been spending several days here and at Morgan the past week visiting with old friends. Mr. Holt was forced to leave Morrow county on account of failing health, but he appears to be enjoying the best of health at this time. He was formerly engaged in farming in this county and is now holding a position in the manual training department of one of the city schools in Portland.

Mr. and Mrs. Otis Patterson, and Mr. and Mrs. Ed Ferguson of Canyon City passed through Heppner the last of the week by auto enroute home, after attending the funeral of Mrs. Patterson's uncle in Walla Walla. Mr. and Mrs. Patterson spent a few hours here meeting some of their old friends who were mighty glad to see them.

W. S. Raker, special representative of the Northwestern Mutual Life Insurance Company, was touring through Morrow county last week by auto. He was accompanied by his daughter, Miss Mary Raker. They make their home in Portland.

Elza Vinson of the Monument country was in Heppner the last of the week to receive some pumping machinery from Jos. Burgoyne of Lexington. Elza formerly lived here being the son of Geo. Vinson of Little Butter creek.

Harlan McCurdy, Miss Della Davidson and Frank E. Cronan, well known Ione young people were in the city Tuesday evening to see the big show, "The Birth of a Nation."

Mr. and Mrs. Dillard French of Gurdane were visiting with friends in Heppner last Friday and transacting business here.

John Marcus of Monument arrived in Heppner on Sunday with his clip of wool for storage in the warehouse here.

Mrs. N. R. McVay of Goldendale, Wash., is making a visit at the home of her brother, Spencer Akers, in this city.

Ed Rood was up from Portland the last of the week on business matters. Oscar Borg and wife are spending the week in Portland.

Misses Lela and Lulu Campbell returned home last Friday from Portland where they spent two weeks visiting with friends.

**COLE BROS. WORLD-TOURED SHOWS.**

On Friday, June 29 the citizens of Heppner will enjoy the privilege of seeing Cole Bros'. World-Toured Shows and Trained Wild Animal Exhibition, at two performances, afternoon and night, rain or shine. All tents are positively waterproof. Many new features added this year. The one show that is absolutely different from all others, and is without doubt the highest class, most progressive and most pleasing tented exhibition that will visit you this season. This is the only big show coming this way this season.

No one needs feel sorry for the poor little young ones who grew up never knowing what a clown was like. Nowadays the successful Cole Bros. fun producer adapts his clowning quite as much to the grownups as to the youngsters. "Happy" Charley Post the master clown of them all has been secured by Cole Bros. at a fabulous salary, he is not only a producer but an originator, quick to take advantage in burlesque of events occupying the attention of the public.

Prof. F. J. Rogers, without doubt Europe's most talented horse trainer, with his great troupe of five white Arabian horses, showing the acme of equine skill and intelligence, performing unparalleled feats under the trainer's direction.

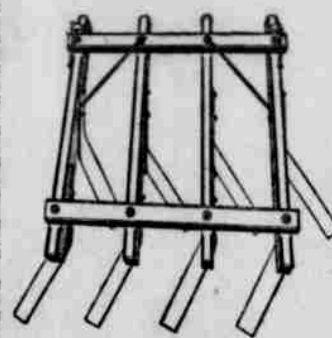

"Cheerful" Gardner and his big herd of educated elephants, without a doubt the most intelligent and versatile elephants in the tented arena today. These mastodons of the animal world interpret the difficult drills, dancing numbers, including the "Salome" dance, from pyramids and living statuary pictures, play provoking and clownish pranks, in which "Myrtle" the largest clown in the world takes a leading part and in many other ways show the wonderful teaching of their trainer.

Mr. Chas. Gray and his \$50,000.00 group of performing black maned African bred lions. Mr. Gray is Europe's most noted wild animal trainer and his lion act is said to be the most sensational before the public today.

Miss Muriel Croft, the girl with the mixed group of leopards and panthers, a dainty bit of French femininity, whose fearless performance with eight of these ferocious beasts has duplicated her European success here in one season.

Madame Rogers and her beautiful white Arabian horses in a magnificent equine statuary display. One of the most fascinating numbers ever conceived. A series of living pictures presented with surprising correctness as to art and the minutest details, truly a pictorial delight, depicting the following pictures: "Military Attention," "Home Sweet Home," "Treaty of Peace," "Love," "Statue of Liberty."

## BE PREPARED

THE JONES WEEDER

See C. E. JONES or H. C. ASHBAUGH, Heppner, Oregon

To raise better crops by cultivating more and raising less weeds. It will pay you to invest in a Jones' Weeder. This machine has been greatly improved this year and will be a great factor in bigger crops.

Built in sections like a harrow, each section cuts five feet. You can use as many sections as needed. Six horses pull three sections cutting fifteen feet.

Absolutely the best machine ever built for cultivating summerfallow; does the work speedily and thoroughly. Get a Jones' Weeder before the weeds get big and ruin your summer-fallow.
