HEPPNER, OREGON

Much Time and money

have been wasted in a vain endeavor to convince people that there is real virtue in Imitations and Substitutes, not alone in the goods themselves, but in the methods of selling. In the end the people find out that it is only a "new slant" to the old game and that any variations from the established principles of sound business dealing are sure to result unsatisfactorily. Let your local dealer show you "the Nigger-in-the-wood-pile." It's there.

UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Heppner. No Heppner resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

J. H. Cox, carpenter, Baltimore St., Heppner, says: "It seems that if I caught the least cold, I suffered from pain in my back. At times I simply couldn't move and had to stay in bed for a week or ten days. I used a great many medicines, but I can say that Doan's Kidney Pills did me more good than anything else. I haven't had an attack for sometime now."

OVER SIX YEARS LATER Mr. Cox said: "It has been a long time since I have had any occasion to take a kidney medicine. I still consider Doan's Kidney Pills a good, reliable medicine for backache and kidney disorders."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cox had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
