

# DODGE BROTHERS MOTOR CAR

People take the performance of the car for granted because Dodge Brothers build it.

They expect more from Dodge Brothers because they believe in them.

And of course they get more because they expect more.

It will pay you to visit us and examine this car.

The gasoline consumption is unusually low.  
The tire mileage is unusually high.

Roadster or Touring Car, \$835; Winter Touring Car or Roadster, \$1000; Sedan or Coupe, \$1265. (All prices f. o. b. Detroit.)

WALTHER-WILLIAMS HARDWARE CO.  
THE DALLES, OREGON

Mr. and Mrs. Jack Mills of Kamlah Idaho spent Tuesday in Heppner visiting with friends and relatives. They formerly lived in Morrow county, having a ranch near Ione. They moved to Idaho after selling out here. At the present time, Mr. Mills is engaged in business in Kamlah.

Word was received here this week that Clyde Sperry, who formerly lived in Ione had passed away in The Dalles Monday. Mr. Sperry had been suffering for six weeks from blood poisoning and this finally resulted in his death. He had been in a hospital there for sometime. A brother, C. B. Sperry lives at Ione.

Walter Kilcup and wife returned Saturday from an extended automobile tour of California. They report a most enjoyable trip, their only regret being that they could not remain longer.

Joe M. Simas and wife of Monument were in Heppner Tuesday.

# PAIGE

The Most Beautiful Car in America

## The Thoroughbred

Paige cars are the ideal combination of rare beauty and mechanical excellence. A Paige looks the part—and acts the part.

It is a thoroughbred no matter whether you judge it from the standpoint of artistic design or the grueling tests of the road.

In your own community—perhaps in your own neighborhood—there is a family that owns a Paige car.

Make it a point to meet these people and discover just what their experience has been. Do this, and unless we are greatly mistaken, a new Paige will be standing in front of your home very shortly thereafter.

NOTE—It is impossible for us to guarantee the following prices for any definite length of time
