being the first company to give a concert in what is known as Athabasca Landing, the opening of the Peace River Country.

Miss Sheehan does not claim that an exquisite frame will make a beautiful picture, but she does believe it helps a "whole heap"—that being her reason for surrounding herself with two of the most beautiful girls on

the concert platform. Besides being endowed by "Nature" they are real artists.

Miss Kegg, the Soprano, has a large voice that will fill the largest auditoriums. Though large, her voice is sweet, clear and flexible. She has wonderful control and has a repertoire that pleases the unmusical as well as the musicians. The audiences that have heard her are loud in their praise of her work and clamor for her return.

**COMEDY IS INFECTIOUS.**

Miss Theresa Sheehan's comedy is as infectious as her drama is inspiring. Her rendition of "Danny" is one that will take you from tears to laughter and back again with thorough enjoyment.

The piece calls for the rich Irish brogue of the lowlander and Miss Sheehan's imitation is hard to discern from the original. Her face, manner, and general action carries you right into the humble home of the Irish workman and his motherless boy, where ensues the conversation that makes a heart stirring story of great interest.

Miss Sheehan appears here with the Theresa Sheehan Concert company as one of the numbers on our Lyceum course.

Theresa Sheehan and Her Girls. The Theresa Sheehan Concert Company—the inimitable reader and her excellent supporting artists—have long since won their place in the hearts of the Lyceum public. Miss Sheehan is a sweet Irish girl, who was reared in Canada. She brings a pretty brogue and a charming personality in her humorous sketches and monologs. Be sure to hear her.

For your information we wish to advise that in our experiments and tests here at the factory with our new eight-cylinder car, we have been able to secure uniformly better results with Standard Oil Company's Zerolene motor lubricant than with any other which we have used.

**Endorsed by Peerless Motor Car Co.**

The above letter sent out from the factory to all Peerless dealers is an unsolicited testimonial to the perfect lubricating qualities of Zerolene. Less wear, more power, least carbon deposit—because correctly refined from California asphalt-base crude.

Makes Clubbing Arrangement With

**The Oregon Farmer**

Offers Unusual Opportunity to Its Readers

**A**MONG our large circle of readers there are a great many who are interested directly or indirectly in fruit growing, dairying and other branches of farming. All of these naturally wish to keep in close touch with agricultural activities throughout the state; and to know about any fight which is being waged for the measures Oregon farmers want and against all sorts of schemes that are detrimental to the people and agricultural interests of this state.

We have, therefore, made a special clubbing arrangement with **THE OREGON FARMER** whereby any farmer or fruitgrower, who is one of our regular subscribers and who is not now a subscriber to **THE OREGON FARMER**, will be entitled to receive **THE OREGON FARMER** in combination with this paper at the same rate as for this paper alone.

This offer applies to all those who renew or extend their subscriptions as well as to all new subscribers. If you are interested directly or indirectly in Oregon agriculture, do not miss this unusual opportunity, but send your order in now.

**THE OREGON FARMER** is the one farm paper which is devoting itself exclusively to the farming activities and interests of Oregon. It has a big organization gathering the news of importance to farmers, dairymen, fruitgrowers, stockraisers and poultrymen; and it has the backbone to attack wrongful methods and combinations and bad legislation, and support honest leaders and beneficial measures. We are confident that our readers will congratulate us on our being able to make this splendid and attractive clubbing offer.
