Hunters Get Two Deer.
A company of hunters consisting of Oscar and C. A. Minor, Willard Herren and Dr. A. D. McMurdo invaded the confines of the Blue mountains in the vicinity of Willow creek basin the last of the week and they returned home with two bucks to their credit. These gentlemen are all old-time hunters and seldom fail to bring in a deer when they go after them. They found the weather in the mountains pretty cold, and a light snow falling, but not sufficient, however, to help them in trailing game. They considered the hunt a success notwithstanding a lot of automobile trouble that put their machine out of business and necessitated their sending to town for a machine to bring them in.

Buying Many Mules Here.
Bob Lundheimer, W. H. Kime and Joe Beck, representing the Colwell Horse & Mule Co., of Colwell, Idaho, have been in this section for the past two weeks, buying mules for the U. S. Government. These gentlemen shipped five cars of mules from Arlington last week.

We Eat Irrigon Apples Now.

Ione, Lexington and Heppner received the shipment. Mr. Doble states that he will continue to furnish fruit to this market, which will be sent direct from Irrigon in the future as needed. Their apple crop was exceptionally fine this season and we urge our people to patronize home industry and use Irrigon apples. They are hard to beat.

Their friends wish them much joy in their new home which will be near Mr. Buschke's on Rhea creek.

County Sunday School Convention.
The County Sunday School convention will be held at Ione, Nov. 14-15. All the Sunday Schools of the county are urged to send delegates. If each school would send in a report in which their successes, their failures, and their needs are set out, the reports would have more value than simply a statistical report.

TO BUY YOUR

MACKINAWS, STAG SHIRTS OVERCOATS

WE take a great deal of pride in being able to offer so desirable a selection of Mackinaws, Stag Shirts and Overcoats this season. The scarcity of woolen materials, due largely to the fact that the government has taken practically the entire output of many mills, has made it very difficult to secure necessary material, but our unusually large early purchases have put us in the fortunate position of preparedness to supply our customers' wants.

The new Trench model or Army coat is sure to please in the overcoat line. We also have the conservative models for those who prefer them.

Our prices on Stag Shirts and Mackinaws are sure to please. Call in and have a look at the line and be your own judge.
