Potato Crop is Big.

Mr. J. D. Farrell, President of the Oregon-Washington Railroad & Navigation Company, a member of the Committee on National Defense, Portland, said recently:

"The railroads are now moving what promises to be the biggest potato crop in the history of the country. This crop, which is estimated will total approximately 453,000,000 bushels or half again as much as last year has been on the way since the middle of September. The movement of it will continue until about April first next year. Reports received by the Commission on Car Service indicate that even with intensive loading more than 75,000 cars will be needed to handle the potato crop."

Joins Army of the Air.

Horace Matlock, son of Mrs. Jennie Matlock of Canyon City, left a few days ago for Vancouver, Wash., where he has offered his service to the government as an aviator. Being under age he had to have the consent of his mother. The young man is greatly impressed with the service. He will be given eight weeks training on the ground before he will enter the air. They must first learn their machine and the government is very strict regarding the rules of safety.—Canyon City Eagle.

TIME TO ACT

Don't Wait for the Fatal Stages of Kidney Illness. Profit by Heppner People's Experience.

Occasional attacks of backache, headaches and dizzy spells are frequent symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but generally return with greater intensity. Don't delay a minute. Begin taking Doan's Kidney Pills, and keep up their use until the desired results are obtained. Good work in Heppner proves the effectiveness of this great remedy.

Mrs. A. Missildine, Court St. Heppner, says: "It was a good many years ago that I took Doan's Kidney Pills and I know from the benefit I received at that time that they are all that is claimed for them. If it would be necessary to take a kidney medicine again, I would use Doan's Kidney Pills, for I have always had a great deal of confidence in them." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Missildine had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Mat Halvorsen, leading farmer of Ione, was in Heppner Sunday.
