HIGH LIFE AND LUXURIES TO PAY SHARE WAR TAX

Internal revenue collector, Milton A. Miller of Portland, has been advised by the department at Washington that diners at cabarets soon will have the satisfaction of knowing that they are contributing towards the support of the boys in the trenches.

Mr. Miller says, "Regarding 20 per cent of the bill for refreshments as the cost of the admission where no admission fee is charged, the proposed tax is one cent on each ten cents or fraction thereof of such 20 per cent of the total charge. If, for instance, the check handed you by the waiter is for $5.00, you will find at the bottom an additional 10 cents for war revenue.

"The term 'cabaret' is held to include 'every hotel, restaurant, hall or other public place at or in which, in connction with the service or sale of food or other refreshments or merchandise, there is conducted any vaudeville, or other performance or diversion in the way of acting, singing, declamation or dancing, either with or without instrumental or other music.

"Where there is only instrumental music by an orchestra as in the case of many hotels, the tax does not apply. It does apply however, if dancing is permitted.

"The tax is paid by the person paying for the refreshment."

(Continued from Page One)

years have been sleeping by the wayside or following the by-ways of the least resistance, while an Octopus has grown up in their midst in the form of a military organization, whose tentacles have spread throughout the length and breadth of the world."

President Barratt called upon the woolmen to back up the government in every way possible. His address called forth a prolonged applause and from the nature of the sentiments contained in it, the association deemed it well to send the speech broadcast to the press and to the woolmen of the nation.

C. A. Minor of Heppner was elected vice-president of the association for the coming year.

The resolutions committee brought in 15 resolutions which were accepted by the association. The gist of them is as follows:

1. Pledge moral and physical support to national administration and commend war policy of President Wilson.
2. Express thanks to president and secretary of association for capable and efficient administration.
3. Ask representation in any action the government may take in fixing price of 1918 wool clip.
4. Pledge continued support to Pacific International Livestock Exposition.
5. Give thanks to railroads and especially to O-W. R. & N. Co., for splendid cooperation with sheepmen.
6. Appreciation of cooperation between Forest officials and sheepmen.
7. Commendation of annual ram sale at Salt Lake and recommending the same kind of sale for North Portland.
8. Endorsement of rural schools and recommending establishment of agricultural and livestock expert in every county in the state.
9. Recommend best possible methods at shearing pens and grading of wool.
10. Commend publication of National Woolgrower.
11. Commend efforts to control rabies.
12. Recommend enlargement of efforts of authorities and officials to control scabies.
13. Condolence to family and former associates of the late John F. Carroll, editor of Portland Telegram.
14. Endorsement of sentiments set forth in annual address.
15. Thanks to The Dalles Commercial Club.

The association will meet next year either at Vale, Bend or Prineville, this to be decided later by executive committee.

A WOMAN'S BACK

The Advice of This Heppner Woman is of Certain Value.

Many a woman's back has many aches and pains.

Ofttimes 'tis the kidneys' fault.

That's why Doan's Kidney Pills are so effective.

Many Heppner women know this.

Read what one has to say about it:

Mrs. H. Hughes, Court St., Heppner, says: "For about a month my back ached and throbbed so badly at times that I could hardly stand the pain. The way my kidneys were acting was giving me a lot of distress. I had taken only a few doses of Doan's Kidney Pills when I noticed a big change. My back felt stronger and my kidneys acted more regularly. One box of Doan's cured my trouble and since then I have enjoyed the best of health."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hughes had. Foster-Milburn Co., Mfgrs. Buffalo, N. Y.
