Heppner Garage Has Seven Employees In Service.

The Heppner Garage will soon unfurl a service flag in honor of the seven employees of that institution who have given up their jobs to enter some branch of the United States Service. One of the employees is now in France with the American Expeditionary Forces in the flying division. He is Ralph Van Bibber, who spent about three years in the mechanical department of the local garage. According to Albert Bowker, the other men in the service are Henry Nagl, for several years head mechanic in the garage, Sam Turner, Elra Hayes, Jay Hayes, Wayne Barker and Bob Buschke. Mr. Buschke is the last to leave the garage and will enter the service this week.

Dalziel Running Strong.

M. H. Allen, state deputy Labor Commissioner who formerly lived in Sumpter, was in Heppner on official business Saturday of last week. Mr. Allen says that Wm. Dalziel, who for 14 years has been deputy in the state labor commissioner's office, is making a good run for the office of state labor commissioner and will undoubtedly be elected. In speaking of Mr. Dalziel's candidacy Mr. Allen said, "I know of no one in the state any better qualified to fill the position he seeks than Mr. Dalziel. His long experience in the office as deputy, covering every section of the state, makes him familiar with very condition confronting the duties of the state labor commissioner."

Off to California.

Ma Shoot, well known Chinese restaurant man of this city, departed last Saturday with his family for California, where he expects to engage in truck farming. Mr. Shoot recently sold the O. K. Restaurant to two young Chinese, Leo Jin and Won Won of Portland. The young men opened up for business the first of the week.

Sells Out But Wants More.

John B. Cason has sold his 65 acres on Willow creek just above Heppner to his neighbor Frank Monahan, whose property joins the Cason land. Twenty acres of the place is fine bottom land given over to the production of alfalfa. We understand the price paid by Mr. Monahan was \$6000. Mr. Cason says he is looking for another place in Morrow county and has no intentions of leaving here.

To the Public.

I have taken charge of the Neel rooming house and solicit your patronage with the assurance that you will find everything neat and clean and you will be accorded the most courteous treatment at fair prices. MRS. A. Z. BARNARD.

Morrow County School Notes.

District No. 2 gave a box social which cleared \$95.60. They intend to buy a \$50 Liberty Bond for the district, soup for hot lunches, and various articles for their new school house. A Red Cross basket sold for \$7.75, the proceeds of which are to go to the Lena Red Cross Branch, of the Morrow County Chapter.

The pupils in district No. 31 surprised their teacher one day last week with a dinner served at the school house. A few patrons were present.

District No. 42 cleared \$77.40 from a basket social given at the home of A. Dykstra. Only twenty baskets were sold. Games were played and a regular hard time party added to the amusement for the evening. The money was turned over to the pupils and teacher. They organized a Junior Red Cross and paid for their membership out of this fund. They also had their certificate of membership framed. A number of changes in the school will soon take place which will show how the money was used.

One of the pupils from district No. 54 who finished his eighth grade in that school and who enlisted in the Marines a short time afterwards is now at Guam. The teacher and pupils will display a service flag in his honor.

Sixteen schools in the county have organized Junior Red Cross Auxiliaries. Material came so late that other schools have not had time to report.

The Morrow County Thrift Report Books have been sent to every pupil in the schools. See if we cannot put Morrow County in the lead and over the top in this matter.

Elvin Morgan, in Dist. No. 5, Morgan Oregon, is the first pupil in the county to sell \$50 worth of war stamps. This entitles him to membership in the Junior Rainbow Club. Fourteen pupils from this same school signed pledges in December, promising to bring to their teacher 25 cents for a Thrift Card with a twenty-five cent Thrift Stamp affixed thereto, and to start then to save and continue to save their pennies, nickles, dimes and quarters to buy War Savings Certificates. They hope in this way to help their Government to win the war.

LENA SNELL SHURTE, County School Superintendent.

AS YOU MAKE IT.

To the preacher, life's a sermon.
To the joker, it's a jest;
To the miser, life is money,
To the loafer, life is rest.
To the lawyer, life's a trial,
To the poet, life's a song;
To the doctor, life's a patient,
Who needs treatment right along.
To the soldier, life's a battle,
To the teacher, life's a school;
Life's a good thing to the grafter;
It's a failure to the fool.
To the man upon the engine
Life's a long and heavy grade;
It's a gamble to the gambler,
To the merchant, life's a trade.
Life is but a long vacation
To the man who loves his work:
Life's an everlasting effort
To shun duty, to the shirk.
Life is what we try to make it—
Brother, what is life to you?
—E. S. KISSIL.

Hooverizing

Means something more than theorizing. It means practical observance of the laws of conservation three times a day.

The bulk of our wheat must cross the Atlantic to feed the allied armies. Therefore the American people at home must save by substituting for wheat. We can use

CORN MEAL—Both yellow and white, Hominy

OAT MEAL, rolled oats and barley flour

CREAM OF RICE, whole rice and buckwheat flour

Have you tried the new Potato Flour? This is one of the newer substitutes proving popular in the kitchen.

THE SAM HUGHES CO.

"House of Reliable Merchandise"

Meatless Days! Observe them by Eating FISH, fresh or salted

The People's Cash Market

Is cooperating with the food administration by encouraging the sale of fish and poultry as substitutes for the other meats which we want to save.

FRESH OYSTERS, CLAMS, CRABS, FISH

Mr Hoover says: "Eat more fish." The best will be found here.
