Earl Dewey Parman Dies in Kilkicat

The Gazette-Times is in receipt of a communication from Fred Esteb of Centerville, Wash., telling of the death of his brother-in-law, Earl Dewey Parman. Mr. Parman was born in Morrow county and made his home in the Gooseberry section for a number of years. The following was taken from the Goldendale Sentinel:

Earl Dewey Parman, only son of Thomas and Eva Parman, was born Feb. 7th, 1899, at Gooseberry, Ore. The family moved to Kilkicat in 1905 and have resided since that time on their farm in the No. 12 District, where Earl grew to young manhood. All his school life was spent in the No. 12 School where he took work for ten consecutive years, finishing twelve grades, without a single day of absence. Through all the years he had but one teacher—Prof. Calvin. He passed away on last Saturday morning.

Earl was a fine young man, loved and respected by all. He will be greatly missed. The sympathy of the entire community goes out to his sorrowing family.

HEPPNER GIRLS ARE NOT SLACKERS

Members of the Domestic Science Department Are Working For Food Conservation—Will Hold Potato Exhibit.

The girls of the domestic science department of the Heppner high school are striving earnestly to do their bit in helping Uncle Sam win the war. In their class work they are having the practical side of Hooverizing. Just now they are lending a hand to the Food Administration in its efforts to teach the people the need of using up this year's large potato crop, thus saving the wheat which is needed to win the war. There are at the present time 30,000,000 bushels more potatoes in the United States than in other years. This means that each of us must eat one extra bushel of potatoes this coming month. Help "Spud the Kaiser" by eating potatoes three times each day. Help our boys "go over the top" by sending them the wheat.

The domestic science department has arranged to have potato exhibits in the display windows of each of our grocery stores. Watch for them Saturday, March 4th. In one window of the Phelps Grocery store will be displayed several of the simpler ways of serving potatoes. These dishes will be prepared by the domestic science girls. Some of the recipes for these potato dishes have already been printed in this paper. Others will be published later.

Potato Loaf.
2 cups mashed potatoes
4 tablespoons minced onions
2 tablespoons green pepper, or pimento
1/2 cup canned tomatoes
1 egg
1 teaspoon salt
1-3 cup ground peanuts

Mix all ingredients together. Turn the mixture into a buttered baking dish. Brush it over with melted butter or drippings. Bake in a moderate oven 25 minutes.

Belgian Baked Potatoes.
Wash, pare and cut into pieces as for French fried potatoes. Lay potatoes on an oiled pan, season with salt and pepper, and bake in a fairly hot oven until puffed, golden brown and mealy.

Potato Pudding.
1 1/2 cup mashed potatoes
4 tablespoons fat
2 eggs, well beaten
1/2 cup milk
1/4 teaspoon salt
1/2 lemon (juice and rind)
1 tablespoon sugar
1/2 cup raisins and nut meats
Boil potatoes, mash and add fat, eggs, milk, lemon juice, grated peel and sugar. Beat all together well and bake in greased dish 1/2 hour or longer. Serve with milk or cream.

Notson of this city reached the advanced age of 90 years on Wednesday of this week. He spent the day as usual and was down town a short time after his mail and on some errands. Mr. Notson is especially active for a man of his age. He is the oldest resident of Hamburg, and possibly of the state. He also has the distinction of being the oldest living Mason in Iowa. "Mr. Notson came to Iowa with his parents in April, 1849 and removed to Hamburg in 1874. We are glad to have the acquaintance of this grand old man and join with his many friends in best wishes."

Ever "Shop" for Shirt Comfort?

If not, it's well worth trying. Because there is such a thing as true shirt comfort—and it can be bought!

The shirt you have on now—does it feel "pully" across the shoulders? Do you feel like your collar was too high? Are the sleeves a trifle long—or perhaps a trifle short?

Yes. Then you were more interested in buying "just a shirt" than in buying real comfort plus a shirt, when you paid for the garment you now have on.

Beau Brummel Shirts

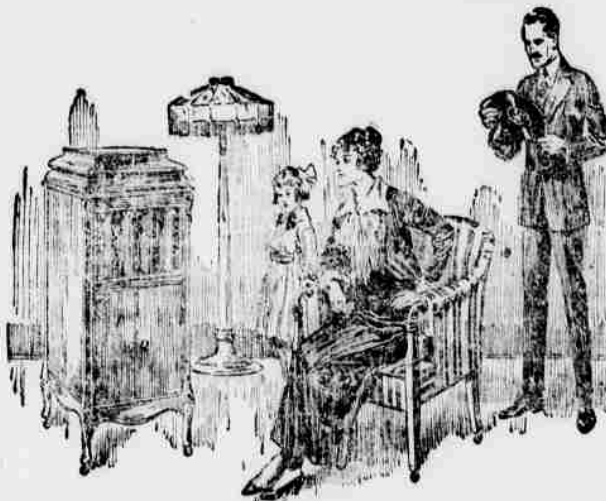

snap with style—of course. The patterns are bright and "nifty" and every little detail is just right for appearance. That is to be expected—certainly. But that unseen thing—real comfort—is built into these shirts. You cannot see it—but you can feel it, the moment you put one on your back.

Come here and buy one Beau Brummel Shirt—just one. Wear it—get the feel of a really perfect fitting shirt. Then decide whether you want "just a shirt" or another Beau Brummel.
