ORDINANCE NO. 180.

An ordinance regulating awnings, and providing for the removal thereof within the corporate limits of the city of Heppner.

The people of the City of Heppner do ordain as follows:

Section 1.

That whenever any person, firm or corporation desires to erect or place any awning adjacent to, or upon any street or sidewalk, or adjacent to or upon any portion of such street or sidewalk within the corporate limits of the city of Heppner, such person, firm or corporation shall first present specifications of the kind of awning to be erected and the kind of material of which such awning is to be constructed or erected, to the Committee on streets and public property of the Common Council of the city of Heppner, and if such specifications are approved by such Committee, such awning may be erected and maintained, but not otherwise.

Section 2.

That all awnings now erected or constructed adjacent to or upon any street or sidewalk or adjacent to or upon any portion of any such street

or sidewalk which the Committee on streets and public property shall deem unsafe or unsightly, the said Committee shall order the same removed by serving written notice on the owner of such awning, and if same is not removed within thirty days from the date of the service of such notice, then said committee shall direct the City Marshal to remove the same immediately.

Passed the Common Council and approved by the Mayor, this 3rd day of June, 1918.

W. W. SMEAD, Mayor.
Attest: J. P. WILLIAMS, Recorder.

ORDINANCE NO. 181.

The people of the city of Heppner do ordain as follows:

Sec. 1. That it shall be unlawful for any person or persons owning or having the possession or control of any dog or dogs to permit such dogs to run at large or remain at large upon any street, alley or other public grounds within the corporate limits of the city of Heppner.

Sec. 2. It shall be the duty of the Marshal of the city of Heppner to take possession of all such dogs running at large or remaining at large upon any street, alley or other public grounds within the corporate limits of the city of Heppner, and immediately place the same in a pound provided for the keeping of such dogs.

Sec. 3. Any person or persons violating any of the provisions of section one of this ordinance upon conviction thereof in the Recorder's Court of the city of Heppner shall be punished by a fine of not more than twenty five dollars, or by imprisonment in the city jail for a period of not more than twelve days.

Sec. 4. If any person or persons shall be convicted of violating any of the provisions of this ordinance, and shall fail or neglect to take such dog or dogs from the possession of the Marshal within twenty four hours after such conviction, the Marshal shall dispose of such dog or dogs by killing the same.

Passed the Common Council and approved by the Mayor this 17th day of June, 1918.

W. W. SMEAD, Mayor.
Attest: J. P. WILLIAMS, Recorder.

FUEL NEWS

Portland, Oregon, June 20.—All consumers of coal in Oregon, except householders, will be recorded and classified immediately by Fuel Administrator Holmes in accordance with the distribution program of the United States Administration. The names of consumers and their needs and the kind of work their various enterprises are engaged in will be gathered as rapidly as possible for classification.

The survey is being made in response to a request from Judge Edwin B. Parker, priorities commissioner, and presages the issuance of a preference list under which industries engaged in war work will be given the first call on available fuel.

In a statement just issued the War Industries board discovers the creation at this time of industries which will utilize fuel, materials and men which will not contribute directly or indirectly toward the winning of the war. The board however has not endeavored to classify any legitimate business enterprise as "non essential," and later when the fuel preference lists are published every effort will be made to supply all industries with their requirements as nearly as possible. It must be borne in mind however that essential industries will have first call on fuel.

The steps now being taken by the government indicate that Oregon, along with the remainder of the nation will be forced to curtail fuel consumption. Holmes is of the opinion that there may arise the necessity soon of limiting the amount of fuel that householders may order. He does not intend to issue such an order however until it is necessary. In the meantime he is strongly advising industries and householders to secure their supplies now.

With priority order in effect, and with western fuels being diverted east to fill vital requirements of war industries, he points out that the outlook for this winter is far from rosy and that every ton of coal and cord of wood stored now may save many plants from idleness and households from heales days of winter.

Frank Frates and family were in town over Monday night from their home on Eight Mile. They were here to attend the farewell to the departing draft boys, among whom was a nephew of Mrs. Frates, Thomas Ingram of Hardman.

People once went to New York for the Opera Season-- Now they stay at home with The NEW EDISON

FOR this marvelous instrument brings Grand Opera right into their homes. A new made Edison 10" "Gramophone" has double appeal: to the eye and to the ear. The New Edison can't supply the former but it certainly does the latter. So far as hearing the great artists of to-day is concerned they themselves can give you no more than

The NEW EDISON

"The Phonograph with a Soul."

You can't improve upon perfection and this invention Re-Creates the singer's voice with such perfection that no human ear can distinguish artist from instrument. The Edison tone tests in which the singers have sung in direct comparison with the New Edison have proved this to more than 2,000,000 listeners. More than 1500 of these tests have been held. More than 30 great artists have appeared in them.

Drop into our store to-morrow and hear a demonstration.

Oscar R. Otto

Edison Re-Creations should not be played and cannot be played properly on any other instrument. If they could be, the manufacturers who seek to profit by Mr. Edison's research work would be able to make tone test comparisons, such as have been made with the New Edison before two million music lovers.
