People once went to New York for the Opera Season-- Now they stay at home with The NEW EDISON

FOR this marvelous instrument brings a Grand Opera right into their homes. Yes, literally. The New Edison can't supply the former but it certainly does the latter. So far as hearing the great artists of to-day is concerned they themselves can give you no more than

The NEW EDISON

"The Phonograph with a Soul."

You can't improve upon perfection and this invention Re-Creates the singer's voice with such perfection that no human ear can distinguish artist from instrument. The Edison tone tests in which the singers have sung in direct comparison with the New Edison have proved this to more than 2,000,000 listeners. More than 1500 of these tests have been held. More than 30 great artists have appeared in them. Drop into our store to-morrow and hear a demonstration.

Oscar R. Otto

Heppner, Oregon

Edison Re-Creations should not be played and cannot be played properly on any other instrument. If they could be, the manufacturers who seek to profit by Mr. Edison's research work would be able to make tone test comparisons, such as have been made with the New Edison before two million music lovers.
