## NAME GUNS BETSY AND ELSIE

Yankee Artillery at the Front Follow Gallant Custom of French Cannoneers.

Following a gallant custom of the French artillery, the boys of Battery B in one of our own F. A. regiments, decided to name their guns after those whom they considered the outstanding figures among the patriotic women of American history.

Many were named but two were chosen. The first, according to Stars and Stripes, France, was Betsy Ross, who, in her little house in Philadelphia, made for General Washington the first American flag. The second was Elsie Janis, who, in the little huts of France, made the first hit of the A. E. F.

"These guns are of the railway artillery," the captain says, "and among the most powerful in France, and the names selected are now painted on the carriages, where they will be constant inspiration in the future, and, we hope, a credit to their namesakes."

One of these two namesakes, who probably never thought of herself as a figure in American history at all, is just back from a tour of the front where she had a good many thrills, including the thrill of finding her name in divisional general orders.

There she delighted one of the bands by turning drum major throughout a long march, cheered up some young German prisoners by talking to them in their own tongue, and came away much pleased by the news that Elsie Janis II had just raised merry h— with a German machine gun emplacement.

### Lonesome.

A soldier was on duty as night sentry for the first time, and his post was at a lonely place in the camp. He saw a figure advancing and asked, "Who

### WHY IT SUCCEEDS

Because It's For One Thing Only, and Heppner People Appreciate This.

Nothing can be good for everything. Doing one thing will bring success. Doan's Kidney Pills are for one thing only.

For weak or disordered kidneys. Here is Heppner evidence to prove their worth.

J. C. Ball, retired farmer, says: "It has been several years since I have had occasion to take Doan's Kidney Pills, but speaking from past experience, I can conscientiously say they are a splendid medicine for backache and kidney disorders."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ball had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### goes there?"

The answer came, "The officer of the day." The sentry, forgetting the proper military reply in his relief at hearing a human voice, called out, "Good-night, I'm glad to see you."

### Tommy Sized It Up.

Tom's kindergarten teacher took her class to see the chickens in the school yard. A homely brown hen was mothering a brood of fancy chickens hatched in an incubator. The aristocratic chicks had tufts of feathers on their heads. Tommy quickly noted the difference between hen and chicks and blurted out: "Pshaw, she can't be their mother." Then, after a moment's consideration, he added with an air of conviction: "Oh, I guess she's only the nurse-girl."

### Chinese Admitted to Bar.

Chang Chung Wing, a native of California, is an attorney at law, the first Chinese-American to be admitted to the bar in the state. He was given his legal papers by the district court of appeals, before which he was examined, having passed with a percentage of 96 out of a possible 100. He was one of the three highest men in the class of 83, of whom 49 passed the examinations.

### Importance of Canned Tomatoes.

Canned tomatoes fill such an important place in feeding our army that the government asks for an increase of 50 per cent from tomato-canning states. In addition to furnishing food value for energy, the tomato quenches the thirst of men and calls for less water consumption in the camp or on the march.—People's Home Journal.
