FOOD NOTES.

The new flour regulations permit the purchase of flour on the basis of 80 percent wheat to 20 per cent substitutes. The substitutes are barley flour, corn flour, and corn meal. Feterita flour and meals, rice flour (not rolled oats), kafir flour, milo flour bean flour, and busk wheat flour may be used as substitutes. While the regulations are thus relaxed considerably, the administration admonishes the people to continue to be careful to waste nothing.

THURSDAY, SEPT. 12TH IS REGISTRATION DAY

Portland, Ore., September 3.—President Wilson, by official proclamation, has set Thursday, September 12, as Registration Day.

On that day every man in the United States and its possessions between the ages of 18 and 45 years, inclusive, who have not already registered, or who is not already in the military service, must register.

This includes citizens as well as aliens. There are no exceptions.

Registration will be held between the hours of 7 o'clock a. m. and 9 o'clock p. m. on Registration Day.

Local draft boards will be in full charge of registration. It is the duty of the local boards to name the places for registration, and to give proper publicity as to their locations.

However, failure on the part of any man subject to registration to learn his proper registration place will be no excuse for his failure to register.

Failure to register on Registration Day is punishable by imprisonment up to one year, without option of a fine.

Men who will be absent from home on Thursday, September 12, should consult the nearest local board at once for instructions.

Men who will be careful to waste nothing. People who find the substitutes agreeable will be commended if they use a larger percentage of substitutes.

The sugar situation has not improved very much. However, many persons report that they are using less than two pounds per month. This increases the supply for canning purposes. The administration urges the canning of all fruits which can't be dried, but at the same time urges the strictest economy in the use of sugar.

S. E. NOTSON, County Chairman.
