JOHN F. VAUGHN, Clerk. F. A. McMENAMIN, Heppner, Ore., Auctioneer.

John S. Buseick Passes.
 Word was received here late on Wednesday evening by Robert C. Hart announcing the death at Hood River, Oregon, of his brother-in-law, John S. Buseick, which had just occurred at that place. Mr. Buseick, it seems, had been suffering a great deal of late with severe stomach trouble and was prevailed upon by a Hood River physician to undergo an operation about three weeks ago. The operation, it appears, was not very successful, and complications having set in, Mr. Buseick's condition became very alarming. About ten days ago blood poisoning developed and his case became hopeless, and he passed away as a result. Mr. Buseick but very recently moved to Hood River, where he took up his residence with his family. For many years he had been actively engaged in the sheep industry, both in Morrow and Grant counties. Early in the summer he closed up a deal, disposing of his big Grant county holdings, together with all his sheep, and retired from active business, having accumulated a very handsome fortune. The announcement of his death comes as a shock to his many friends in this section. The remains arrived at Heppner today and funeral arrangements were made for tomorrow at 2:30 at the Christian church, F. A. Andrews, minister, to officiate.

Will Hold Public Sale.
 Pearl Shamhart was in town Tuesday and arranged with F. A. McMenamini to conduct a public sale for him at the F. P. Vaughn farm on Eight Mile on Wednesday, Oct. 2nd. Mr. Shamhart has been running this farm for several years past but is now compelled to give up farming because of being unable to get a place. He will offer a lot of good stuff for sale and one feature is to be the disposing of a 200-pound shoat for the benefit of the Red Cross. It is expected that a large crowd will be present and competitive bidding will no doubt be very spirited. For detailed list of property to be sold, see advertisement elsewhere in this paper.

Buys Eight Mile Farm.
 J. W. Beymer, banker and stockman of Heppner has purchased the F. P. Vaughn wheat farm on Eight Mile near Liberty school house. This is a well known place and one of the very best farms of that section. Mr. Beymer has leased the farm to Bert Bowker who will take possession at once and proceed to transform himself from garage man and automobile salesman into a wheat producer, a transition that will not be hard for Mr. Bowker as he has followed the game some in days past. G. P. Shamhart has been running the place for several years past and it is said to be in excellent condition.

MR. SHURTE COMES TO THE FRONT
 Tells His Friends and Neighbors of His Experience.

Every Heppner resident should read what Mr. Shurte says, and follow his example. He has used Doan's Kidney Pills and speaks from experience. Is there any need to experiment with imitations or untried kidney medicines?

C. W. Shurte, says: "Several years ago I was more or less subject to bladder trouble. The kidney secretions were unnatural and too frequent in passage. During these spells, my back felt weak and lame. After taking a few boxes of Doan's Kidney Pills, I got over the bladder trouble and my back felt as strong as ever."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Shurte had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.
