THESE MEN STAND BEHIND PRESIDENT

Senator McNary and Governor Withycombe Have Record for Patriotic Endeavor.

Loyal and dependable support of the President and his prosecution of the war is the prime requisite demanded by all American citizens of every candidate for office at this time. Win the war and win it now is the demand. Nobody has any time for the pacifist. Men of action are wanted. Officials in office who have measured up to these demands should be retained. They are on the job and intimately acquainted with the needs of the government. They know what has been done to expedite the war. They know what should be done to hasten the unconditional surrender of the Hun.

It is with a full knowledge of these facts that the Republican State Central Committee commends to the voters of the state every Republican nominee on the ticket. Senator McNary and Representatives McArthur, Hawley and Sinnott have made good. They have subordinated politics and are working earnestly for the one great cause—win the war. Each has a 100 per cent record in his support of the President. Never have they faltered in backing up the President's war program. They have given him support at times when such Democratic leaders as Champ Clark, Kitchin and Dent balked and by their attitude imperiled the enactment of legislation vital to the successful prosecution of the war, foremost of which was the selective draft law.

Here at home, Governor Withycombe has cooperated with the President in every war activity. His zeal in patriotic work has been unbounded. He is intensely American. The unparalleled record Oregon has made in all war time activities and the alacrity with which the state has responded to every call for patriotic endeavor is due in part to the leadership of Governor Withycombe.

Both in the halls of Congress at Washington and in the Governor's office at Salem, the people of Oregon are fortunate in having experienced men with a record 100 per cent American—men who are standing behind the President for a vigorous prosecution of the war to a speedy and victorious conclusion.

Senator McNary, Representatives McArthur, Hawley and Sinnott, and Governor Withycombe should all be reelected. They are at their posts of duty. None is making a campaign. They are too busy serving their state and nation. They should be returned for continued service. Election of new and untried men, lacking in ability and experience to fit them for the positions, would not only be unwise at this time, but would fall far short of the patriotic duty of the voters of this state.

IS POLITICS ADJOURNED?

The extent to which politics has been adjourned by the Democrats in this state is best revealed by the facts. While United States Senator McNary is remaining at his post of duty at Washington, loyally backing up the President in his prosecution of the war, his opponent, Oswald West, is conducting an active campaign for the Senatorship. Press of official business, occasioned by war time activities, has made it necessary for Governor Withycombe to forego a personal campaign. He is remaining at his office in Salem attending to the business of the state and cooperating with the national administration in every war time activity. Not so with Walter M. Pierce, who opposes him for the Governorship. Mr. Pierce is and for weeks has been making a thorough canvass of the state urging his candidacy upon the voters. Sure! "Politics is adjourned"—for the Republicans.

What the Burns News said of Governor Withycombe in the primary campaign is equally true today: "The many level-headed actions of Governor Withycombe, coupled with his undaunted and unquestioned patriotism, with his tenacity of purpose to assist Oregon and its citizens in the fullest efficiency in domestic, commercial and military affairs, entitle him to the indorsement of the electorate of Oregon."

"In his price fixing bill, as in his career as Senator, Mr. McNary has shown his ability, his vision and his statesmanship. We are grateful to the state of Oregon for having given us such a Senator. He reflects credit upon his state and does honor to the nation."—United States Senator Johnson, former Governor of California.

"The attitude of Senator McNary on the temperance question in the United States Senate has been most satisfactory to the representatives of the Women's Christian Temperance Union at Washington, and we believe in justice to the Senator this fact should be known by his constituents."—Officers of National Women's Christian Temperance Union.

O. P. Hoff, Republican nominee for State Treasurer, is a broad-minded man of wide business experience with an intimate knowledge of state affairs. He will come to the State Treasurer's office well equipped for the important duties of the position.

The Height of Good Taste

is displayed by men of refinement—more in what they leave off in their dress than what they put on. And a shirt can make or mar your appearance.

There are some shirts that have an air of quiet elegance—a certain exquisite refinement—a "something" hard to define but nevertheless very real.

When you put one on you know you're well dressed in this respect—just as well dressed as it is possible to be.

Beau Brummel Shirts

are made with extreme care. The cloths are tested for fastness of color as well as for strength. The collar bands are cut with steel dies—always exactly the right size.

Every operator who works on these shirts is the graduate of a "sewing school" maintained by the factory. A dozen other little details make for perfection in fine shirts.

If you will come to the store and see the Beau Brummel Shirt we will be grateful. We shall not press you to buy—but we do urge you to get acquainted with this supreme shirt.
