W. H. Cronk, manager of the Tum-a-Lum Lumber Co. at Ione, accompanied by Mrs. Cronk, Mrs. J. H. Wilt and Mrs. S. E. Moore, spent a few hours in Heppner on Saturday afternoon, the ladies coming to town to do some shopping.

Dan Hanshaw, who recently purchased the John Edwards place in Sand Hollow, and the Reaney quarter adjoining, is getting in a fine lot of grain already, and expresses himself as being very fortunate in having so much good plowing weather. Mr. Hanshaw thinks prospects for a good crop the coming season were never better.

Walter Eubanks, accompanied by his wife, was doing business at Heppner on Saturday. Walter is farming the Benga place south of Lexington and has in about 2000 acres of grain, all of which is coming along well. For about three months during the fall, Mr. Eubanks was laid up with a bad case of typhoid, and he is just now getting back to his normal condition.

Lew Holmes, genial manager of Tum-a-Lum Lumber Co., Lexington, was a Heppner visitor on Saturday. Mr. Holmes was carrying his arm in a sling because of injuries received recently while cranking his Ford. The arm is broken at the wrist as

well as being badly sprained and Mr. Holmes has resigned, for the present at least, his job of furnishing kindling wood at the Holmes domicile.

F. M. Griffin, farmer of the Fairview district, south of Ione, was in Heppner Tuesday. Mr. Griffin is of the opinion that right now would be a good time to have some real winter; thinks it would insure better crop conditions and keep grain from coming along too fast. Grain is looking fine out that way at present and it is noted that volunteer wheat of the Early Bart variety is now heading out.

B. F. Swaggart, who was in from the Swaggart buttes yesterday, says this is the finest, but one, of all the winter seasons he has experienced in the Heppner country in the last forty years or more, and the one winter he has in mind there was a little more moisture and the plowing was just a little better than it is this year at this time. He is not complaining, however, and says this weather is good enough.

NO REASON FOR IT.

When Heppner Citizens Show a Way.

There can be no reason why any reader of this who suffers the tortures of an aching back, the annoyance of urinary disorders, the pains and dangers of kidney ills will fail to heed the words of a neighbor who has found relief. Read what a Heppner citizen says:

I. R. Esteb, says: "I am a strong believer in Doan's Kidney Pills and whenever I get a chance I recommend them to others. I don't hesitate to do so, for I know they can't be beat. When I feel in need of a kidney medicine, I get a box of Doan's Kidney Pills from Humphreys' Drug Store and in a few days the pain in my back is relieved and my kidneys become normal."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Esteb had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
