Minor Musings

You often hear it said that a girl is "throwing herself away" on some man, but never that a man is throwing himself away on a girl by marrying her; yet the chances are about fifty-fifty.

A TWICE-TOLD TALE.

One of Interest to Our Readers.

Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Heppner man is confirmed after six years. J. H. Cox, carpenter, Baltimore Md., says: "When I catch the least cold, I suffer from pain in my back. At times it has been so bad I simply couldn't move and have had to stay in bed for a week or ten days. I have used a great many medicines, but Doan's Kidney Pills have done me more good than anything else. I have't had an attack of this trouble for some time."

OVER SIX YEARS LATER Mr. Cox said: "It has been a long time since I have had any occasion to take Kidney medicine. I consider Doan's Kidney Pills a good, reliable medicine for backache and kidney disorders."

Miss Martha B. Struck, teacher of domestic science and art in Heppner High school, has been offered a position with the O. A. C. in the Home Economics department as a field supervisor. The position carries with it a nice salary and offers Miss Struck a fine opportunity for advancement. She has been released from her contract with District No. 1, and will leave for Corvallis to assume her new duties by the 20th of January.
