Henry Schwarz, proprietor of a butcher shop, Main St., says: "I was subject to severe attacks of lumbago. The pains were like a sharp knife sticking me in my back. When I had one of these attacks, the pain was so severe I could hardly move and when I got down it was hard to straighten up. My kidneys acted irregularly and were congested during these spells. Six boxes of Doan's Kidney Pills fixed me up in fine shape. My back felt strong and my kidneys have caused me very little trouble since."
