UNITED WAR VETERANS.

A National Organization Composed of All Soldiers of All Wars.

The United War Veterans, a National organization, has been formed to include in its active membership all veterans of the Civil War, Spanish War, and World War.

The objects are: To unite in fraternal bonds, through national, state, local and foreign organizations, all soldiers and sailors of the United States; to perpetuate Memorial Day, as established by the Grand Army of the Republic, and to preserve from neglect the graves of Our Nation's Dead; to secure employment for and to assist our comrades, their widows, orphans and dependent relatives; to promote loyalty, mutual aid and co-operation among them in all lines of endeavor; to secure from Congress and other legislative bodies the enactment of laws beneficial to the welfare of our comrades, and to secure employment for those who have returned to civil pursuits in consonance with laws which prefer honorably discharged soldiers and sailors for government service; to provide and establish homes for orphans and dependent children of our comrades; and to inculcate the principles of universal liberty and justice to all mankind of loyalty to our country, reverence for its institutions, obedience to its laws and discountenance whatever tends to weaken these sentiments.

The organization consists of active members, called comrades; and in addition thereto an honorary membership consisting of persons who formed distinguished or faithful service or engaged in efforts for the relief of disabled and suffering soldiers and sailors, or who to a conspicuous extent became interested in promoting the moral welfare and physical comfort of troops in camp or in field, or who are honorably discharged soldiers or sailors of any of the Allies of the United States in the World War.

It urges that members of other patriotic organizations continue their memberships in such organizations, but join the United War Veterans in addition, in order to have one united organization of all soldiers of All Wars.

Women honorably discharged from military or naval service, and the mothers, wives, daughters, and sisters of all soldiers and sailors living or deceased, who served in the Army, Navy, or Marine Corps in time of war, are eligible to the Auxiliaries.

The National Headquarters are at Kalispell, Montana. The Commander-in-Chief is Commandant of the Montana State Soldiers' Home.

"OREGON FIRST"

By Robert E. Smith, Executive Manager.

The world through which we have so recently passed is the greatest event in the world's history since the beginning of the Christian era. The part which Oregon has played in this world war will be remembered long after we and our children are dead. Our heritage of this war will be our record of patriotic achievement, and this record will be made in two ways: It will be the record of our boys who were in the service, and the record of those who stayed at home and tried to do our part by supporting our Government and the Boys.

Oregon's military record stands head and shoulders above that of any other state. Oregon was first in the enlistment and had a larger percentage of its population under arms than any other state in the Union. The records of the old Third Oregon, the Coast Artillery and the 91st Division are records which will never die and of which every Oregon citizen may well be proud. The record of Lieut. Burgard who was five times wounded and who led 250 Oregon boys over the top, of which 218 were left upon the battle field after an hour and twenty minutes of fighting is only one of a number of instances of valor by Oregon men which will never be forgotten. Lieut. Dorris made his way to brigade headquarters after having his lower jaw shot away in order that another officer might be detailed to his company—all of the other officers having been killed. Although he was decorated with the croix de guerre for this act of heroism, the best appreciation of this act will be found in a never dying recollection of it by the people of Oregon. There is no instance of record where Oregon troops faltered under fire, and the record of our boys in service is 100% perfect.

So far the record of Oregon's citizenry in its patriotic duty has been perfect. We have been foremost in patriotic drives of every kind, having twice led the Nation in Liberty Loan Campaigns. It is a distinct privilege for those of us who stayed at home to be permitted to complete the wonderful record of our boys by making 100% record in our duties of citizenship. Yet it is a tremendous responsibility, as the people of the state would never live down the disgrace of tainting our

military record by failure to lead all other states in this last great patriotic endeavor.

Mr. Ford Owner

WHY PAY EXCESS PRICES FOR REPAIR WORK?

We have adopted the system of the Ford Motor Co. in doing all repair work on Ford cars at a contract price.

The advantage is: you know at once the cost of the work. These prices were compiled by the Ford Motor Co. and are considerably cheaper than if the work was done at \$1.00 per hour labor charge.

Bring your car in, we tell you beforehand what the cost will be.

All of our work absolutely guaranteed to be first class, and second to none.

Yours for complete satisfaction,
