The Universal Car

Ford
THE UNIVERSAL CAR

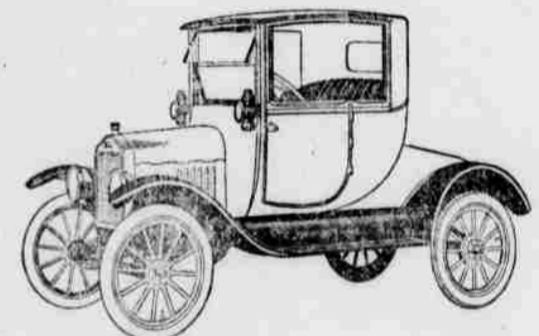

Ford cars are important servants everywhere. They help the family enjoy life, bring the pleasures and advantages of the town within reach of the farmer and give practical service every day in country and town. They require a minimum of attention; any one can run the Ford and care for it, but it is better to have repairs and replacements taken care of by those who are familiar with the work and have the tools, and genuine materials, and skilled men to do the work promptly. We pledge Ford owners the reliable Ford service with real Ford parts and standard Ford prices.

There is a Ford for every purpose for which a car can be used.

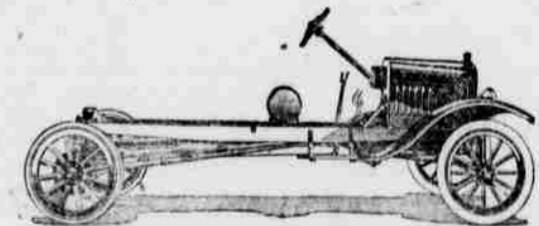

The Ford Roadster

It is no longer necessary to go into the details describing the practical merits of the Ford car—everybody knows all about "The Universal Car." How it goes and comes day after day and year after year at an operating expense so small that it's wonderful. This advertisement is to urge prospective buyers to place orders without delay. Buy a Ford car when you can get one. We'll take good care of your order—get your Ford to you as soon as possible—and give the best in "after-service" when required.

The Ford Coupe

The Ford Coupe, with its permanent top, big sliding windows, generous seating capacity, splendid upholstery is surely the ideal, as well as the most practical and profitable, motor car for traveling salesmen, physicians, stockmen, etc. It means quick transportation without fatigue. It means comfortable transportation regardless of weather conditions. It means good, long service at the minimum of expense. Wise to give us your order now. Price f. o. b. Detroit, \$650.

The Ford Truck

Every farmer should have one or more Ford trucks because of the profitable results that will follow their use. There is not any guess work about this statement. It has been proven on thousands of farms. If you farm, come in and let us tell you more about the Ford Truck's value to you in sure dollars and cents saving. It is a personal matter to every farmer. The Ford Truck is a business necessity. Orders should be left with us at once in order to get early delivery. Price \$550, without body, f. o. b. Detroit.

FORD CARS are more useful today than ever before; a necessity in village, town, city and country; the utility of farmer, merchant, manufacturer, architect, engineer, contractor, salesman, doctor, clergyman; a profitable factor in the life of the nation.
