**VIOLATORS OF TRAFFIC LAW ARE WARNED**

The following has been given to The Gazette-Times from Sheriff Shutt calling attention once more to the motor vehicle law.

In response to the numerous complaints coming into this office about the violations of the motor vehicle laws in Morrow county, the attention of all automobile owners is hereby called to the following:

Oregon Session Laws, Chapter 399, Sec. 2, Division 2: No person under sixteen (16) years of age, unless accompanied by some other person competent to operate a motor vehicle and who is over the age of sixteen (16) years, shall be permitted to operate a motor vehicle on the public highways of this state.

Sec. 3 of same Chapter, Division 2: Motor vehicles, when operated at night time, upon meeting an approaching motor vehicle, the driver shall dim his headlights; provided, however, that any motor vehicle which is not equipped with any dimming device, shall maintain as a part of the equipment a spotlight, so adjusted as not to blind the occupants thrown to the right hand side of the highway downward, and while approaching and passing such motor vehicle the spotlight shall be substituted for the headlights, and so adjusted as not to blind the occupants of the approaching vehicle; and provided further that any vehicle not equipped with electric lights, shall not be required to have a spotlight nor dim in approaching or passing.

Many cars are also running without license tags, it is stated. Violators of the above laws are subject to a fine not to exceed \$400, or a jail sentence of not to exceed one year, or both such fine and imprisonment.

To avoid death and accidents warning is hereby given that in the future complaints of this nature will be followed by vigorous prosecution. E. M. SHUTT, Sheriff.

**THEY ALL DEMAND IT.**

Heppner, Like Every City and Town in the Union, Receives It.

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but do not cure. Doan's Kidney Pills have brought lasting results to thousands. Here is Heppner evidence of their merit:

Mrs. H. Hughes, Court St., says: "My back ached and throbbed so badly at times I could hardly stand the pain. The way my kidneys were acting was causing me a lot of distress. I had taken only a few doses of Doan's Kidney Pills when I noticed a big change; my back felt stronger and my kidneys acted more regularly. One box permanently cured the trouble and since then I have enjoyed the best of health."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hughes had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

**Sweets to Sweet and Not Sour Rhubarb Thinks Writer.**

A subscriber of The Gazette-Times from the Board creek district thinks a hint or two should be given to a certain young Romeo in that neighborhood. Recently Romeo called upon his loving Juliet; it was on Sunday night and they kept company until about 2 a. m. in the morning. Running out of conversational material, sweet Juliet proceeded to devour huge quantities of rhubarb, about ten stalks of that mammoth kind which grows on Board creek. Now, the writer thinks that a modern lover man shall use a finer technique than that and as a mere hint suggests that next time this Romeo take a box of candy along with him and thereby spare the rhubarb for the pies that Juliet's mother will make next winter.
