New Mill is Arising: More Men Are
Wanted.

Millwrights are wanted by the East
Oregon company to work on the new
sawmill which is now under way. Se-
veral carloads of timbers for the struc-
ture arrived last week and more will
come in from day to day. Part of
them are already in position, for the
frame of the new building has begun
to arise.
More workmen are wanted to rush
the construction. These should be
millwright and carpenters skilled in
this particular line. The company has
advertised in many towns in the
northwest for men for this work.
The log pond at the mill is being
