They Set the "Nineteen-Twenty" Pot a-Boiling

The 1920 political pot has struck a boil. Republican national committeemen in a called meeting at Washington started it when Chicago was selected as the place for the presidential convention, to be held in June. This picture shows the committee members at the Willard Hotel just before the meeting convened. Chairman Hays is the small man in black derby hat in the front row. To his right is Governor Sproul of Pennsylvania—one of the presidential possibilities.

INVADERS CAPITAL TO ESTABLISH LEGION

Miss Myrd Mock of Los Angeles is the founder of the American Woman's Legion. She is now in Washington to establish a branch. To make better conditions for the wounded men is the purpose of the organization.

Great American Tragedienne. One of the greatest tragediennes of the last century, Charlotte Saunders Cushman, died in Boston nearly half a century ago, leaving behind her one of the most inspiring and splendid memories in all the history of the stage. Miss Cushman was born in Boston, July 23, 1816. Her early ambition was musical, and she was just at the beginning of a successful operatic career when her voice failed. Her loss to music was a gain to the drama. She first appeared as Lady Macbeth in New Orleans, and soon gained rank in England and America as the foremost actress of the English-speaking world. Forty-five years ago the great actress began her farewell tour of America, and on a day in May, 1875, an audience that filled the Globe theater in Boston saw Charlotte Cushman's last appearance on the stage. She died in less than a year afterward.

AMERICA'S GREATEST WAR INVENTOR

Dr. James Harris Rogers, Hyattsville, Md., has been nominated for a Noble prize in physics. His wireless invention of the underground and under-sea wireless system is regarded as America's greatest contribution to scientific progress of the age.

YOUTH HAS MUSICAL GENIUS

Willy Ferrero, 13 Years Old, and American Born, is Capable Leader of Orchestra.

Willy Ferrero, 13, who leads 100-piece orchestras in selections of Wagner, Beethoven, Rossini, Grieg and others, is an American and was born in Portland, Me. The child has attracted the attention of Europe since he was 4 years old, but it was only recently that his American birth was revealed by his parents, who are Italians. The lad was taken to Italy with his parents were returning to take up their residence in their old home in Turin. When Willy was 4 he began his musical career, leading an orchestra in the Folies Bergere in Paris. A year later he appeared in the Costanza theater, Rome, where for the first time he led an orchestra of 100 pieces. The child took his orchestra before

great music which, though at first disorganized, badly fed and badly equipped, performed the brilliant seven months' campaign which established the reputation of French arms on both sides of the Rhine. To this day at Weissenburg stands a monument to his memory and that of its brilliant young chief. No wonder Marshal Foch takes pleasure in recalling Lazare Hoche to his countrymen. Of Hoche it is said that he once proudly wrote to the minister for war of his day, "Je suis la patrie." The French of the present century would throw up their hats at such a sentiment as enthusiastically as the contemporaries of Hoche and Rouget de Lisle. With the great mass of them, though they do not perhaps express it so tersely, Foch is "la patrie" in the sense that he certainly stands for them as "la Victoire" personified.

ANNE MARTIN IN SENATE RACE AGAIN

Nevada must sooner or later have a woman in the United States Senate if the perseverance of Miss Anne Martin is ever rewarded. She has announced that her defeat in the race last spring has only spurred her on to greater efforts and that she will be a candidate for the second time in 1920. This photograph of Miss Martin and her collie taken at the National Woman's Party headquarters in Washington.

SPURNS AUTOMOBILE AND RIDES TRICYCLE

George L. Baum spurns an automobile. Uncle Sam gave him one to collect mail in Washington—but after driving it a short while—he turned it back and asked for his tricycle again. Baum has collected mail at the national capital for 35 years. He wasn't the first mail collector to use an automobile.

WOMAN'S VOICE IN G. O. P. MEET GOES TO NORWAY TO DEFEND ICE TITLE

Woman's voice was heard in the affairs of the Republican party when the national committee at Washington recently selected Chicago as the place for the 1920 presidential convention. Mary Garrick Hay, chairman of the executive committee of the woman's party, took an active part in the meeting.

Bobby McLean of Chicago, world champion and the fastest ice skater the world has ever produced, has been persuaded to visit Europe in defense of his title, the race to be featured at Christiansia, Norway, for a purse of \$25,000. His opponent will be Matheson, the Norwegian champion, whom he defeated at Chicago two years ago.
