

**MORGAN ITEMS.**

Good things to now working for H. F. Morgan.

J. F. Sturdy and wife were in town Friday on a business trip.

E. G. Muzan was at home last Thursday evening on a business trip.

W. G. Palmateer and A. F. Palmateer were at home Thursday on a business trip.

Don Morgan bought two shetland ponies this week for his children to drive to school.

H. A. Edmonds is handling gravel from Morgan to finish the basement of his new house.

Mr. Davidson returned from The Dalles, where he made a business trip last Wednesday.

W. F. Palmateer took the highway route to Arlington where he will take a train to Idaho to see his wife.

F. J. Ely went to Portland last Tuesday where he will spend a few days visiting and doing business.

Mrs. Ralph Winters at her home in Four Mile died with the Spanish influenza last Wednesday morning.

W. G. Palmateer of this vicinity has been visiting relatives in Estacada, Eagle Creek and Barton, Oregon.

Mrs. Davison and five children started for Los Angeles, Cal., last Thursday to spend a few days with her aged father.

The children of Morgan school had a marshmallow toast and Valentine box last Friday. Each of them received many valentines and a good time.

**BOARDMAN ITEMS.**

E. Francis Williams, architect for the school building made his regular visit of inspection Monday.

Special flag exercises will be held Friday afternoon in dedication of the new steel flag pole just erected.

Mr. and Mrs. J. C. Ballinger are enjoying a visit from Mrs. Ballinger's parents, Mr. and Mrs. Murchie of Wasco.

A special school meeting is to be called March 12th to authorize the school board to sell the Castle Rock buildings.

Rev. Mr. Self of Portland preached in the Community Church last Sunday and announced services for next Sunday. He will also preach at Irrigon.

Rumors are strong that Boardman is to have a bank. Estimates for a suitable building have been asked for and parties are in town in connection with the matter.

There are several pupils out of school owing to the la grippe but school will continue if matters do not get too serious. It has been our experience that pupils are as well off at school as on the streets.

A dangerous fire threatened Cramer and Co.'s place of business last week one night about 1:00 o'clock. The fire started outside under the rear of the building and just below

the sleeping apartments. Flames school board last Saturday, in the pouring through a hole in the floor left by the removal of a drain pipe awakened the family in time to arouse the town and save the building from serious damage. Incendiarism is suspected.

The teachers of the public school were each voted a "valentine" by the same.
