
A NICE MOTOR RIDE
Easter Sunday
or any day for that matter

To have a pleasant ride with no Battery Trouble at all is what you enjoy—but if you have a worn out or run down battery—there is no enjoyment.

Why not have your battery inspected today, or any day—*ITS FREE*—and it is very essential and an insurance against *Battery Grief*.

The shipment of new Philadelphia Batteries is due here in Heppner any day. So if you need a new Battery that is *Absolutely Guaranteed 2 Years*, see this battery and ask your friends who own a Philadelphia and you will be convinced it is the best battery money can buy.

ROBIN RED BREAST IS TALKING

Spring is the time to dress up and—paint up.

At this time nature puts on her brightest, freshest colors. And most everybody takes the hint and does likewise.

Property owners should remember that the past winter has been a trying one and buildings have undergone much wear and tear from storms.

Paint up. Repair the ravages of frost and wind.

Phone us for paint prices and color suggestions.

FARMS
The Garden Spot of the World
Is Right In This Community; This County and State

There is no "better fishing seven miles up stream"---so why spend money in traveling to other states, other climes, only to find ground not as good as may be had right here, living conditions typical to all homesteading---and far away from the friends who make life worth living.

Dairy Farms **Stock Ranches** **Wheat Ranches**

I have lists that embrace all of these. When you get ready to buy see me. If you want to sell, that's my business, to find you a buyer.

EASTER
CLOTHES

Do not always mean NEW clothes.

Many times in this day of underproduction, that suit or dress hanging in the closet has better woolen in it than can be found in garments at twice its cost today.

Bringing out all the soft, clean pattern of that old garment—making it look brand-new—is a trait of this firm which has made our Cleaning, Pressing and Repairing an ART in this community.

Phone us to call today. It will be ready before Easter morn.
